To operate a pushcart/mobile food unit in conjunction with my facility. I understand the applicable regulations require the unit report daily to my restaurant for supplies, cleaning, and servicing, including replenishing of any on-board water supply and disposal of all solid and liquid wastes. I agree to allow all supplies for the unit to be stored on my premises and understand that the Lee County Health Department does not permit supplies for such facilities to be stored in any private residence. I understand that any sanitation deficiencies resulting at my restaurant, even if directly or indirectly related to the operation of the pushcart/mobile food unit, will be reflected in the sanitation grade of my restaurant. This agreement shall remain in effect as long as I am the restaurant owner/operator, unless rescinded by notifying the pushcart/mobile food unit owner and the Environmental Health Division of the Lee County Health Department in writing. I agree to notify both parties in writing should this approval be rescinded.
