Congratulations 2022 Governor's Award Recipients for Lee County

Mary Ann Gaster

Gaster is Chair of the Lee County Senior Services Advisory Board and a regular volunteer for the Senior Services Home Delivered Meals Program. When Lee County started vaccine clinics for COVID-19, Mary Ann volunteered her time and expertise to the clinics. As a retired nurse, she was able to step right in and administer the shots. Mary Ann has a servant's heart and goes about any duty with a smile and determination to complete the job as soon as possible.

Tom Lee

Lee spends time investing in the youth of Lee County. He volunteers in various programs at Warren Williams School, which benefits all of the children. Even through the COVID-19 pandemic, he continued to volunteer weekly. He facilitated the installment of a playhouse for the preschool children, using building skills obtained from a lifetime of working. He participated in the Read-Aloud Program, enriching the reading experiences of preschool students. He and his wife provided snacks for the faculty, kept an eye on the clothes closet and initiated and ran a Christmas Gift Program for children in need. Tom is an example of someone who finds a need and does his best to meet it. He serves because he believes it's the right thing to do.

SISTAH'S In Action

This stands for Sisters Inspiring Souls To Attain Higher Success. The 7-member group has donated school supplies and fed the homeless. They find places frequented by homeless people and those down on their luck and work with the community in getting food items and clothing. Their biggest accolade this year is for health care. They have volunteered hundreds of hours in Lee, Moore and Harnett counties providing COVID vaccines and testing. Many people would not have gotten the vaccination if it were not for this group of women who explained the importance. They do extraordinary deeds at their own expense. These ladies are comprised of medical service workers, social services, real estate and religious fields, just to name a few.

If you are interested in volunteering in Lee County, contact Jourdan Huskey, Senior Insurance & Volunteer Services Specialist, Lee County Senior Services, (919) 776-0501 ext. 2206

- The resistance of water is perfect for a strength-training workout; instead of weights, the water itself provides the resistance.
- One of the greatest benefits of water exercise is its effect on flexibility.
- Because the effects of gravity are lessened, you can move your joints through a wider range of motion and achieve long-term flexibility. ~ACE, American Council on Exercise
