NC DEPARTMENT OF
INSURANCE
SENIORS' HEALTH INSURANCE
INFORMATION PROGRAM

Medicare Part D Open Enrollment:

What You Need to Know

If you live in Lee County and need assistance with your Medicare Part D plan, you may contact The Enrichment Center (919) 776-0501 Ext. 2206 beginning October 1, 2022.

Each year, Medicare offers an annual period between October 15 - December 7 where a person with Medicare Part D prescription insurance can review and change his or her drug insurance policy. You might be asking yourself, "If I am already enrolled in Medicare, why would I need to consider open enrollment?" The answer is, your prescription needs are always changing. Another Part D plan may be a better fit for you now, and it's worth considering switching plans or exploring options during this period.

Information from NC Dept. of Insurance:

What is Medicare Part D? Prescription Drug Coverage?

Medicare's prescription drug benefit (Part D) is the part of Medicare that provides outpatient drug coverage. Part D is provided only through private insurance companies that have contracts with the federal government—it is never provided directly by the government (unlike Original Medicare).

If you want to get Part D coverage, you have to choose and enroll in a private Medicare prescription drug plan (PDP) or a Medicare Advantage Plan with drug coverage (MAPD). Enrollment is optional (though recommended to avoid incurring future penalties) and only allowed during approved enrollment periods. Typically, you should sign up for Part D when you first become eligible to enroll in Medicare.

If you have questions
contact Seniors' Health Insurance Information Program
(SHIIP) toll free 1-855-408-1212,
Monday through Friday from 8 AM to 5 PM.
SHIIP counselors are not licensed insurance agents, and
they do not sell or endorse any product,
plan or company.
