Supervisor Bacon made motion, seconded by Supervisor Edmonds and unanimously approved, to exit Public Hearing regarding the VDOT 2019-2024 Secondary Six Year Plan (SSYP).

Supervisor Bacon made motion, seconded by Supervisor Edmonds and unanimously approved, to approve the 2019-2024 Secondary Six Year Plan (SSYP) as presented with the addition of Route 600 Varick Chapel Road with all resurfacing to be in a rural rustic format.

Supervisor Bacon made motion, seconded by Supervisor Edmonds and unanimously approved, to authorize Administrator Gee to sign the below resolution.

Mr. Brian Currin, Maintenance Operations Manager with VDOT, requested that the Board consider purchasing larger signs directing truckers hauling loads to the landfill. Mr. Currin advised that many of the drivers are from out of state and not familiar with the area. They use their GPS device to locate the Lunenburg Landfill and often get stuck when determining whether or not to cross the bridge with a 10 ton weight limit. Mr. Currin suggested the purchase of eight signs and locating them along routes 40, 635, and 655. Supervisor Zava questioned the cost of the signs. Mr. Currin replied that he would need to check with Korman Signs on the cost. He added that the current signs posted are too small for the posted speed limits along the routes they are located on. County Attorney Rennie wondered if the drivers would pay attention to the new signs or continue to follow the route of their GPS.

The monthly School Board report was provided. Administrator Gee shared a request for the use of capital funds from Mr. James Abernathy, Assistant Superintendent for Finance & Operations. The request included the use of \$8,347.75 for two stand-alone classroom HVAC units, one heat pump with air handler and other materials needed for the installation of the systems. The request also included a bid for a new school bus at a cost of \$81,319. Mr. Abernathy explained that they would also like to purchase a second bus after July 1st using capital funds for FY2018-19. Supervisor Hankins questioned if the bus would have seat belts for each student. Administrator Gee responded that the buses would not have seat belts as it is an additional expense as well as requires a school aid on the bus.

Administrator Gee shared a full page article in the Southside SPCA newsletter recognizing Animal Control Officer Ray Elliott for his fund raising efforts. During his 2017 "Ruff-N-IT" Spay/Neuter Campaign, he was able to exceed his goal by raising \$15,130 in donations to the SPCA to assist with spay and neuter of local animals. Supervisor Zava suggested presenting Officer Elliott with a letter of commendation for his contributions. The Board agreed and asked Administrator Gee to organize the letter and presentation. Administrator Gee shared the monthly Landfill Liaison Report. She advised that two additional part-time Trash Collection employees had been hired. Administrator Gee shared a letter from Victoria Fire and Rescue Chief Rodney Newton. Chief Newton requested the approval of the

purchase of a 2018 Chevrolet Tahoe 4WD in the amount of \$37,357.06 for the Lunenburg Communications Cache 2017 State Homeland Security Grant and is 100 % reimbursable.

Supervisor Bacon made a motion, seconded by Supervisor Pennington and unanimously approved, to approve the purchase of a 2018 Chevrolet Tahoe 4WD in the amount of \$37,357.06, 100 % reimbursable by the Lunenburg Communications Cache 2017 State Homeland Security Grant.

Administrator Gee referenced the FY2018-19 budget proposal at the public hearing held the previous week.

Supervisor Bacon made a motion, seconded by Supervisor Edmonds and unanimously approved, to approve FY2018-19 budget as proposed at the public hearing.

Tax Levies are based on a Calendar Year and the Proposed Budget is based on a Fiscal Year (July 1-June 30). The Fiscal Year budget potentially sets rates for two different calendar years of tax collection. Tax levies are based on a per \$100 assessed value.

Administrator Gee reminded the Board that the Financial Consultant, Shelia Minor, had taken a full time position with the City of Colonial Heights, leaving the County without a Financial Consultant. Administrator Gee shared a proposal from Mary K. Earhart, PLLC for providing financial consultant services to the county. The proposal states the estimated cost starts at \$6,000, however, the cost could be lower, depending on the services needed.

Supervisor Bacon made a motion, seconded by Supervisor Hankins and unanimously approved, to sign the agreement with Mary K. Earhart, PLLC to provide financial consulting services to the County.

Administrator Gee shared a letter of resignation from Board of Trustees member Karen Scales of the Lunenburg County Public Library System. Mrs. Scales represents District #2, Brown's Store and her resignation will be effective June 30, 2018.

Administrator Gee introduced Mr. Glenn Millican to the Board as the new part-time County Planner. Mr. Millican thanked Administrator Gee and commented that he and his wife are thrilled to be back in Lunenburg where he grew up. He noted that he hopes his experience and knowledge gained throughout his career will help in his efforts to grow Lunenburg. He added that Lunenburg has many great opportunities that he looks forward to exploring. He thanked the Board and commented that he looks forward to working with them.

Administrator Gee provided her monthly report. She advised that that the Department of Aviation Executive Director Mark Flynn and Aviation Board member Marie Therese Dominguez met with Airport Commission Chair Jeff Parrish, member Edward Pennington, Leroy Baker, and Administrator Gee to discuss the future plans for improvement at the Airport. They were very complimentary of Lunenburg County Airport and Mr. Baker. They indicated that they use the terminal as the standard plan for small GA Airports. Administrator Gee advised that Piedmont Regional Jail Interim Superintendent Jim Davis was promoted to the permanent Superintendent for at least the next two years.

County Attorney Rennie noted that the Board questioned whether or not IDA funds could be used for Economic Development projects. After some research, he found that the IDA can make grants to the County for Economic Development projects. However, those funds cannot be earmarked for other projects or received under the condition of another project. County Attorney Rennie also commented that the year-end True-up and mitigation fund payments from CFS are still outstanding. Administrator Gee has been in contact with Tim Webb of CFS to advise the outstanding amounts are subject to penalty and interest.

Supervisor Bacon made a motion, seconded by Supervisor Edmonds and unanimously approved, to enter Closed Session citing Virginia Code Section §2.2-3711A1 Personnel, §2.2-3711A3 Acquisition or of the Disposition for Public Held Property and §2.2-3711A7 Legal Consult.
