Message from the Mayor

Spring is here! I don't know about you, but I'm ready for some warm weather. I am already thinking about all of the beautiful flowers and gardens that we will soon see around the village. There is plenty to look forward to as we prepare for the change in seasons. The village will offer many opportunities to fellowship with our neighbors. I hope you saved the events calendar that was previously mailed and will consider joining us for upcoming events. Communication will soon have a new look. We have a new website that will be launching in 5 weeks. Constant Contact is now being used by the village as a means to email and text residents. We also have Twitter and Instagram pages. Please be sure to sign up, view our social media pages and check the website often for updates.

COVID-19 continues to be something that the village monitors. While the mitigations are changing, our commitment to safety will never change. We continue to encourage vaccinations, testing and remaining home when you're not feeling well. I'm proud to say that the numbers in Lynwood are heading in a positive direction. Kudos to each of you who have done your part to ensure the safety of your loved ones and neighbors. The Board and I are committed to ongoing economic development. I hope that you've taken the time to shop at our new Dollar General or eaten at our newest restaurant Mae's Que House. We have received the final plans for Sweet Potato Patches new distribution facility which includes a boutique grocery store.

Droit Storage and Dunkin Donuts are both waiting on MWRD permits and upon receipt, both will begin breaking ground. Please continue to take care of yourselves and reach out to Village hall if you have questions or concerns. I hope to see all of your smiling faces around the village soon.

Yours In Service,

Mayor Jada D. Curry

PUBLIC WORKS

Focused on resident concerns about sanitary sewers and storm water drainage.

CEDA is accepting applications year-round for LIHWAP. To qualify, families must be income-eligible & live in Cook County. They also must be disconnected, facing disconnection, or have a past-due balance of at least \$250. Please call CEDA or visit a partner in-take site to check eligibility at 800-571-2332 or www.cedaorg.net/

EVENTS

COMMUNITY PARTNERS

The Village of Lynwood is thankful for all residents and business owners. We would like to give a special thanks to those that continue to contribute to make village events possible.
