Fence Regulations

- In all zoning districts, fences shall not exceed 4 feet in height in a required front yard, and 6 feet in height in the side and rear yards.
- In Commercial and Industrial zoning districts, fences along lot lines adjoining any Residential district shall be between 6 feet and 8 feet in height.
- Fences must be constructed of materials intended for residential or commercial uses.
- All corner lot fences within 1/2 of the right-of-way width from the intersection of the nearest right-of-way lines, shall not exceed 3 feet in height.
- Fences surrounding swimming pools must be at least 6 feet inside of the rear and side property lines.
