

ATTENTION

FOR EVERY PROPERTY THAT IS ON WELL AND/OR SEPTIC

You will need to go the Health Department **prior** to applying for a building permit. This includes the following:

- Demolition
- Pole Barn
- Shed
- Remodel
- Addition
- New construction
- Detached garage
- Deck
- Porch
- Swimming pool
- Gazebo or any other accessory structure

The Health Department has to approve the location of the proposed project so that it doesn't interfere the septic system.
