AN ORDINANCE

PROVIDING FOR THE ISSUANCE OF GENERAL OBLIGATION BONDS, IN ONE OR MORE SERIES, TAX-EXEMPT OR TAXABLE, IN AN AMOUNT NOT TO EXCEED \$2,600,000 TO FUND CAPITAL IMPROVEMENTS; AUTHORIZING THE COUNTY ADMINISTRATOR TO PRESCRIBE THE FORM AND DETAILS OF THE BONDS; PROVIDING FOR THE PAYMENT OF THE BONDS AND THE DISPOSITION OF THE PROCEEDS OF THE BONDS; PROVIDING FOR BORROWING IN ANTICIPATION OF THE ISSUANCE OF THE BONDS; AND OTHER RELATED MATTERS.

THE MCCORMICK COUNTY, SOUTH CAROLINA, COUNTY COUNCIL ORDAINS:

SECTION 1. *Findings.* The County Council ("Council") of McCormick County, South Carolina ("County"), finds and determines:

(a) Article X, Section 14 of the Constitution of the State of South Carolina, 1895, as amended ("Constitution"), provides that each county may incur general obligation bonded indebtedness upon such terms and conditions as the General Assembly may prescribe by general law subject to the following limitations: (i) such debt must be incurred only for a purpose which is a public purpose and a corporate purpose for a county, and (ii) unless excepted therefrom, such debt may be issued in an amount not exceeding eight percent of the assessed value of all taxable property of such county ("Bonded Debt Limit").

(b) Pursuant to Title 4, Chapter 15, Code of Laws of South Carolina, 1976, as amended ("County Bond Act"), the county council of any county of the State of South Carolina may issue general obligation bonds for any corporate purpose of such county up to any amount not exceeding such County's Available Debt Limit (as defined below).

(c) The County Bond Act provides that as a condition precedent to the issuance of bonds an election be held and result favorably thereto. Chapter 27, Title 11, Code of Laws of South Carolina, 1976, as amended, provides that if an election be prescribed by the provisions of the County Bond Act, but is not required by the provisions of Article X of the Constitution, then in every such instance, no election need be held (notwithstanding the requirement therefor) and the remaining provisions of the County Bond Act shall constitute a full and complete authorization to issue bonds in accordance with such remaining provisions.

(d) The County has determined to make certain capital improvements including construction and renovation of EMS facilities and a convention center (collectively, "Projects");

(e) The assessed valuation of all property in the County as of June 30, 2019, for purposes of computation of the Bonded Debt Limit, is not less than \$49,125,000. Eight percent of this assessed valuation is \$3,930,000 ("County's Bonded Debt Limit"). As of June 30, 2019, the County had

outstanding no more than \$595,000 of general obligation indebtedness subject to the County's Bonded Debt Limit ("Qualifying Debt"). As of the adoption of this Ordinance, the difference between the County's Bonded Debt Limit and Qualifying Debt, which is the amount of general obligation indebtedness which the County may incur without a referendum, is no less than: \$3,335,000.

(f) The Council has found it is in the best interest of the County for the Council to provide for the issuance of one or more general obligation bonds of the County, pursuant to the provisions of the Constitution and laws of the State of South Carolina, in an amount not to exceed \$2,600,000 for the purposes of: (i) funding all or a portion of the Projects; and (ii) paying the costs of issuance related to the Bonds (defined below).

SECTION 2. *Authorization and Details of Bonds and the Projects.* Pursuant to the Constitution and the County Bond Act, the County is authorized to issue not exceeding \$2,600,000 in General Obligation Bonds of the County to be designated "General Obligation Bonds of McCormick County, South Carolina" ("Bonds") for the purposes set forth in Section 1(f). The Bonds also may be issued in one or more series, taxable or tax-exempt, from time to time as may be determined in the manner provided below with such further designation of each series to identify the year in which such bonds are issued.

The Bonds may be issued as fully-registered bonds; dated the date of their delivery or such other date as may be selected by the County Administrator; may be in denominations of \$5,000 or any integral multiple thereof not exceeding the principal amount of the Bonds maturing in each year; shall be numbered from R-1 upward; shall bear interest, if any, from their date as may be determined by the County Administrator; and shall mature as determined by the County Administrator.

SECTION 3. *Delegation of Certain Details of the Bonds to the County Administrator.* The Council delegates to the County Administrator all determinations regarding the sale and issuance of the Bonds or, as the case maybe, Bond Anticipation Notes ("BANs") as are necessary or appropriate to carry out the purpose of this ordinance. The County Administrator is further directed to consult with the County's bond counsel in making any such decisions.

SECTION 4. *Registrar/Paying Agent.* Both the principal installments of and interest on the Bonds shall be payable in any coin or currency of the United States of America which is, at the time of payment, legal tender for public and private debts. The County Treasurer's Office or a qualified financial institution shall serve as the Registrar/Paying Agent for the Bonds ("Registrar/Paying Agent") and shall fulfill all functions of the Registrar/Paying Agent enumerated herein.

SECTION 5. *Registration and Transfer.* The County shall cause books (herein referred to as the "registry books") to be kept at the offices of the Registrar/Paying Agent, for the registration and transfer of the Bonds. Upon presentation at its office for such purpose, the Registrar/Paying Agent shall register or transfer, or cause to be registered or transferred, on such registry books, the Bonds under such reasonable regulations as the Registrar/Paying Agent may prescribe.

The Bonds shall be transferable only upon the registry books of the County, which shall be kept for such purpose at the principal office of the Registrar/Paying Agent, by the registered owner thereof in person or by his duly authorized attorney upon surrender thereof together with a written instrument of transfer satisfactory to the Registrar/Paying Agent, duly executed by the registered owner or his duly authorized attorney. Upon the transfer of the Bonds, the Registrar/Paying Agent on behalf of the

County shall issue in the name of the transferee new fully-registered Bonds, of the same aggregate principal amount, interest rate and maturity as the surrendered Bonds. Any Bond surrendered in exchange for a new registered Bond pursuant to this Section shall be canceled by the Registrar/Paying Agent.

The County and the Registrar/Paying Agent may deem or treat the person in whose name the fully-registered Bonds shall be registered upon the registry books as the absolute owner of such Bonds, whether such Bonds shall be overdue or not, for the purpose of receiving payment of the principal of and interest on such Bonds and for all other purposes, and all such payments so made to any such registered owner or upon his order shall be valid and effectual to satisfy and discharge the liability upon such Bonds to the extent of the sum or sums so paid, and neither the County nor the Registrar/Paying Agent shall be affected by any notice to the contrary. In all cases in which the privilege of transferring the Bonds is exercised, the County shall execute and the Registrar/Paying Agent shall authenticate and deliver the Bonds in accordance with the provisions of this Ordinance. Neither the County nor the Registrar/Paying Agent shall be obliged to make any such transfer of the Bonds during the period beginning on the Record Date (as defined in Section 6 hereof) and ending on an interest payment date.

SECTION 6. *Record Date.* The County establishes a record date ("Record Date") for the payment of interest or for the giving of notice of any proposed redemption of the Bonds, and such Record Date shall be the 15th day of the calendar month next preceding an interest payment date on the Bonds or, in the case of any proposed redemption of the Bonds, such Record Date shall not be more than 15 days prior to the mailing of notice of redemption of the Bonds.

SECTION 7. *Lost, Stolen, Destroyed or Defaced Bonds.* In case the Bonds shall at any time become mutilated in whole or in part, or be lost, stolen or destroyed, or be so defaced as to impair the value thereof to the owner, the County shall execute and the Registrar/Paying Agent shall authenticate and deliver at the principal office of the Registrar/Paying Agent, or send by registered mail to the owner thereof at his request, risk and expense, a new Bond of the same interest rate and maturity and of like tenor and effect in exchange or substitution for and upon the surrender for cancellation of such defaced, mutilated or partly destroyed Bond, or in lieu of or in substitution for such lost, stolen or destroyed Bond. In any such event the applicant for the issuance of a substitute Bond shall furnish the County and the Registrar/Paying Agent evidence or proof satisfactory to the County and the Registrar/Paying Agent of the loss, destruction, mutilation, defacement or theft of the original Bond, and of the ownership thereof, and also such security and indemnity in such amount as may be required by the laws of the State of South Carolina or such greater amount as may be required by the County and the Registrar/Paying Agent. Any duplicate Bond issued under the provisions of this Section in exchange and substitution for any defaced, mutilated or partly destroyed Bond or in substitution for any allegedly lost, stolen or wholly destroyed Bond shall be entitled to the identical benefits under this Ordinance as was the original Bond in lieu of which such duplicate Bond is issued.

All expenses necessary for the providing of any duplicate Bond shall be borne by the applicant therefor.

SECTION 8. *Book-Entry System.*

(a) Notwithstanding anything to the contrary herein, so long as the Bonds are being held under a book-entry system of a securities depository, transfers of beneficial ownership of the Bonds will be

effected pursuant to rules and procedures established by such securities depository. The initial securities depository for the Bonds will be The Depository Trust Company ("DTC"), New York, New York. DTC and any successor securities depositories are hereinafter referred to as the "Securities Depository." The Bonds shall be registered in the name of Cede & Co., as the initial Securities Depository nominee for the Bond. Cede & Co. and successor Securities Depository nominees are hereinafter referred to as the "Securities Depository Nominee."

(b) As long as a book-entry system is in effect for the Bonds, the Securities Depository Nominee will be recognized as the holder of the Bonds for the purposes of (i) paying the principal, interest and premium, if any, on such Bonds, (ii) if the Bonds are to be redeemed in part, selecting the portions of such Bonds to be redeemed, (iii) giving any notice permitted or required to be given to bondholders under this ordinance, (iv) registering the transfer of the Bonds, and (v) requesting any consent or other action to be taken by the holder of such Bonds, and for all other purposes whatsoever, and the County shall not be affected by any notice to the contrary.

(c) The County shall not have any responsibility or obligation to any participant, any beneficial owner or any other person claiming a beneficial ownership in the Bonds which is registered to a Securities Depository Nominee under or through the Securities Depository with respect to any action taken by the Securities Depository as holder of the Bonds.

(d) The County shall pay all principal, interest and premium, if any, on the Bonds issued under a book-entry system, only to the Securities Depository or the Securities Depository Nominee, as the case may be, for such Bonds, and all such payments shall be valid and effectual to fully satisfy and discharge the obligations with respect to the principal of and premium, if any, and interest on such Bonds.

(e) In the event that the County determines that it is in the best interest of the County to discontinue the book-entry system of transfer for the Bond, or that the interests of the beneficial owners of the Bonds may be adversely affected if the book-entry system is continued, then the County shall notify the Securities Depository of such determination. In such event, the County shall appoint a Registrar/Paying Agent which shall authenticate, register and deliver physical certificates for the Bonds in exchange for the Bonds registered in the name of the Securities Depository Nominee.

(f) In the event that the Securities Depository for the Bonds discontinues providing its services, the County shall either engage the services of another Securities Depository or arrange with a Registrar/Paying Agent for the delivery of physical certificates in the manner described in (e) above.

(g) In connection with any notice or other communication to be provided to the holder of the Bonds by the County or by the Registrar/Paying Agent with respect to any consent or other action to be taken by the holder of the Bonds, the County or the Registrar/Paying Agent, as the case may be, shall establish a record date for such consent or other action and give the Securities Depository Nominee notice of such record date not less than 15 days in advance of such record date to the extent possible.

SECTION 9. *Execution of Bonds.* The Bonds shall be executed in the name of the County with the manual or facsimile signature of the Chairman of Council ("Chair") and attested by the manual or facsimile signature of the Clerk to Council under a facsimile of the seal of the County which shall be impressed, imprinted or reproduced thereon. The Bonds shall not be valid or become obligatory for any purpose unless there shall have been endorsed thereon a certificate of authentication. The Bonds

shall bear a certificate of authentication manually executed by the Registrar/Paying Agent in substantially the form set forth herein.

SECTION 10. *Form of Bonds.* The Bonds shall be in the form set forth as Exhibit A.

SECTION 11. *Security for Bonds.* The full faith, credit and taxing power of the County are irrevocably pledged for the payment of the principal and interest of the Bonds as they mature and to create a sinking fund to aid in the retirement and payment thereof. There shall be levied and collected annually upon all taxable property in the County an *ad valorem* tax, without limitation as to rate or amount, sufficient for such purposes.

SECTION 12. *Exemption from State Taxation.* Both the principal of and interest on the Bonds shall be exempt, in accordance with the provisions of Section 12-2-50 of the Code of Laws of South Carolina, 1976, as amended, from all State, county, municipal, school district and all other taxes or assessments, direct or indirect, general or special, whether imposed for the purpose of general revenue or otherwise, except inheritance, estate and transfer taxes, but the interest thereon may be includable in certain franchise fees or taxes.

SECTION 13. *Sale of Bonds, Form of Notice of Sale.* The Bonds may be sold at a public or private sale, as authorized by Section 11-27-40(4) of the Code of Laws of South Carolina, 1976, as amended, using a Notice of Sale or other similar Notice in the form attached hereto as Exhibit B.

SECTION 14. *Deposit and Application of Proceeds.* The proceeds derived from the sale of the Bonds are to be used for the purposes set forth in Section 1(f) and shall be applied by the County solely to the purposes for which the Bonds have been issued.

SECTION 15. *Preliminary and Final Official Statement.* The County authorizes the County Administrator to prepare, or cause to be prepared, and use, or cause to be used, a Preliminary Official Statement and a final Official Statement according to Rule 15c2-12 of the Securities Exchange Commission.

SECTION 16. *Defeasance.*

(a) If a series of bonds issued pursuant to this Ordinance shall have been paid and discharged, then the obligations of the Ordinance hereunder, and all other rights granted thereby shall cease and determine with respect to such series of bonds. A series of bonds shall be deemed to have been paid and discharged within the meaning of this Section under any of the following circumstances:

(i) If the Registrar/Paying Agent (or, if the County is the Registrar/Paying Agent, a bank or other institution serving in a fiduciary capacity) ("Escrow Agent") shall hold, at the stated maturities of the bonds, in trust and irrevocably appropriated thereto, moneys for the full payment thereof; or

(ii) If default in the payment of the principal of such series of bonds or the interest thereon shall have occurred, and thereafter tender of payment shall have been made, and the Escrow Agent shall hold, in trust and irrevocably appropriated thereto, sufficient moneys for the payment thereof to the date of the tender of payment; or

(iii) If the County shall have deposited with the Escrow Agent, in an irrevocable trust, either moneys in an amount which shall be sufficient, or direct general obligations of the United States of America, which are not subject to redemption by the issuer prior to the date of maturity thereof, as the case may be, the principal of and interest on which, when due, and without reinvestment thereof, will provide moneys, which, together with the moneys, if any, deposited with the Escrow Agent at the same time, shall be sufficient to pay, when due, the principal, interest, and redemption premium or premiums, if any, due and to become due on such series of bonds and prior to the maturity date or dates of such series of bonds, or, if the County shall elect to redeem such series of bonds prior to their stated maturities, and shall have irrevocably bound and obligated itself to give notice of redemption thereof in the manner provided in the form of the bonds, on and prior to the redemption date or dates of such series of bonds, as the case may be; or

(iv) If there shall have been deposited with the Escrow Agent either moneys in an amount which shall be sufficient, or direct general obligations of the United States of America the principal of and interest on which, when due, will provide moneys which, together with the moneys, if any, deposited with the Escrow Agent at the same time, shall be sufficient to pay, when due, the principal and interest due and to become due on such series of bonds on the maturity thereof.

(b) In addition to the above requirements of paragraph (a), in order for this Ordinance to be discharged with respect to a series of bonds, all other fees, expenses and charges of the Escrow Agent have been paid in full at that time.

(c) Notwithstanding the satisfaction and discharge of this Ordinance with respect to a series of bonds, the Escrow Agent shall continue to be obligated to hold in trust any moneys or investments then held by the Escrow Agent for the payment of the principal of, premium, if any, and interest on, such series of bonds, to pay to the owners of such series of bonds the funds so held by the Escrow Agent as and when payment becomes due.

(d) Any release under this Section shall be without prejudice to the rights of the Escrow Agent to be paid reasonable compensation for all services rendered under this Ordinance and all reasonable expenses, charges, and other disbursements and those of their respective attorneys, agents, and employees, incurred on and about the performance of the powers and duties under this Ordinance.

(e) Any moneys which at any time shall be deposited with the Escrow Agent by or on behalf of the County for the purpose of paying and discharging any bonds shall be and are assigned, transferred, and set over to the Escrow Agent in trust for the respective holders of such bonds, and the moneys shall be and are irrevocably appropriated to the payment and discharge thereof. If, through lapse of time or otherwise, the holders of such bonds shall no longer be entitled to enforce payment of their obligations, then, in that event, it shall be the duty of the Escrow Agent to transfer the funds to the County.

(f) In the event any bonds are not to be redeemed within the 60 days next succeeding the date the deposit required by Section 16(a)(iii) or (iv) is made, the County shall give the Escrow Agent irrevocable instructions to mail, as soon as practicable by registered or certified mail, a notice to the owners of the bonds at the addresses shown on the registry books that (i) the deposit required by subparagraph (a)(iii) or (a)(iv) of this Section 16 has been made with the Escrow Agent, (ii) the bonds are deemed to have been paid in accordance with this Section and stating the maturity or redemption dates upon which moneys are to be available for the payment of the principal of, and premium, if any, and interest on, the bonds, and (iii) stating whether the County has irrevocably waived any rights to

redeem the bonds, or any of them, prior to the maturity or redemption dates set forth in the preceding clause (ii).

(g) The County covenants and agrees that any moneys which it shall deposit with the Escrow Agent shall be deemed to be deposited in accordance with, and subject to, the applicable provisions of this Section, and whenever it shall have elected to redeem bonds, it will irrevocably bind and obligate itself to give notice of redemption thereof, and will further authorize and empower the Escrow Agent to cause notice of redemption to be given in its name and on its behalf.

SECTION 17. *Authority to Issue Bond Anticipation Notes.* If the County Administrator should determine that issuance of bond anticipation notes pursuant to Chapter 17 of Title 11 of the Code of Laws of South Carolina, 1976, as amended (the "BAN Act") rather than Bonds would result in a substantial savings in interest under prevailing market conditions or for other reasons would be in the best interest of the County, the County Administrator is hereby further requested and authorized to effect the issuance of BANs pursuant to the BAN Act. If BANs are issued and if, upon the maturity thereof the County Administrator should determine that further issuance of BANs rather than Bonds would result in a substantial savings in interest under then prevailing market conditions or for other reasons would be in the best interest of the County, the County Administrator is requested to continue the issuance of BANs until the County Administrator determines to issue the Bonds on the basis as aforesaid, and the Bonds are issued.

SECTION 18. *Details of Bond Anticipation Notes.* Subject to changes in terms required for any particular issue of BANs, the BANs shall be subject to the following particulars:

(a) The BANs shall be dated and bear interest either from the date of delivery thereof or, if the BAN is issued on a draw-down basis, from the date of each such advance, payable upon the stated maturity thereof, at the rate negotiated by the County Administrator and shall mature on such date, not to exceed one year from the issue date thereof, as shall be determined by the County Administrator.

(b) The BANs shall be numbered from one upwards for each issue and shall be in the denomination of \$5,000 or any integral multiple thereof requested by the purchaser thereof. The BANs shall be payable, both as to principal and interest, in legal tender upon maturity, at the principal office of a bank designated by the County or, at the option of the County, by the purchaser thereof.

(c) The BANs shall be in substantially the form attached hereto as Exhibit C.

(d) The BANs shall be issued in fully registered or bearer form or a book-entry-eligible form as specified by the County, or at the option of the County, by the purchaser thereof; provided that once issued, the BANs of any particular issue shall not be reissued in any other form and no exchange shall be made from one form to the other.

(e) In the event any BAN is mutilated, lost, stolen or destroyed, the County may execute a new BAN of like date and denomination as that mutilated, lost, stolen or destroyed; provided that, in the case of any mutilated BAN, such mutilated BAN shall first be surrendered to the County, and in the case of any lost, stolen or destroyed BAN, there shall be first furnished to the County evidence of such loss, theft or destruction satisfactory to the County, together with indemnity satisfactory to it; provided

that, in the case of a holder which is a bank or insurance company, the agreement of such bank or insurance company to indemnify shall be sufficient. In the event any such BAN shall have matured, instead of issuing a duplicate BAN, the County may pay the same without surrender thereof. The County may charge the holder of such BAN with its reasonable fees and expenses in this connection.

(f) Any BAN issued in fully-registered form shall be transferable only upon the books of registry of the County, which shall be kept for that purpose at the office of the County as note registrar (or its duly authorized designee), by the registered owner thereof or by his attorney, duly authorized in writing, upon surrender thereof, together with a written instrument of transfer satisfactory to the County as note registrar, duly executed by the registered owner or his duly authorized attorney. Upon the transfer of any BAN, the County shall issue, subject to the provisions of paragraph (h) below, in the name of the transferee, a new BAN or BANs of the same aggregate principal amount as the unpaid principal amount of the surrendered BAN. Any holder of a BAN in fully registered form requesting any transfer shall pay any tax or other governmental charge required to be paid with respect thereto. As to any BAN in fully-registered form, the person in whose name the same shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes, and payment of or on account of the principal and interest of any BAN in fully-registered form shall be made only to or upon the order of the registered holder thereof, or his duly authorized attorney, and the County shall not be affected by any notice to the contrary, but such registration may be changed as herein provided. All such payments shall be valid and effectual to satisfy and discharge the liability upon such BAN to the extent of the sum or sums so paid.

(g) BANs issued in fully registered form, upon surrender thereof at the office of the County (or at such office as may be designated by its designee) as note registrar, with a written instrument of transfer satisfactory to the County, duly executed by the holder of the BAN or his duly authorized attorney, may, at the option of the holder of the BAN, and upon payment by such holder of any charges which the County may make as provided in paragraph (i), be exchanged for a principal amount of BANs in fully registered form of any other authorized denomination equal to the unpaid principal amount of surrendered BANs.

(h) In all cases in which the privilege of exchanging or transferring BANs in fully registered form is exercised, the County shall execute and deliver BANs in accordance with the provisions of such Ordinance. All BANs in fully registered form surrendered in any such exchanges or transfers shall forthwith be canceled by the County. There shall be no charge to the holder of such Note for such exchange or transfer of BANs in fully-registered form except that the County may make a charge sufficient to reimburse it for any tax or other governmental charge required to be paid with respect to such exchange or transfer.

SECTION 19. *Security for Bond Anticipation Notes.* For the payment of the principal of and interest on the BANs as the same shall fall due, the full faith, credit and taxing power of the County shall be pledged. In addition thereto, so much of the principal proceeds of the Bonds when issued shall and is hereby directed to be applied, to the extent necessary, to the payment of the BANs; and, further, the County covenants and agrees to effect the issuance of sufficient BANs or Bonds in order that the proceeds thereof will be sufficient to provide for the retirement of any BANs issued pursuant hereto

SECTION 20. *Tax and Securities Laws Covenants.*

(a) The County covenants that no use of the proceeds of the sale of the Bond or BANs authorized hereunder shall be made which, if such use had been reasonably expected on the date of issue of such Bond would have caused the Bond to be "arbitrage bonds," as defined in the Code, and to that end the County shall comply with all applicable regulations of the Treasury Department previously promulgated under Section 103 of the Internal Revenue Code of 1954, as amended, and any regulations promulgated under the Code so long as the Bond are outstanding.

(b) The County further covenants to take all action necessary, including the payment of any rebate amount, to comply with Section 148(f) of the Code and any regulations promulgated thereunder.

(c) The County covenants to file IRS form 8038, if the Code so requires, at the time and in the place required therefore under the Code.

(d) The County covenants and agrees that it will comply with and carry out all of the provisions of a continuing disclosure agreement, dated the date of delivery of the Bonds, which will meet the requirements of (i) Rule 15c2-12 promulgated by the Securities and Exchange Commission and (ii) Section 11-1-85, Code of Laws of South Carolina, 1976, as may be amended.

SECTION 21. *Authorization for County Officials to Execute Documents.* The Council authorizes the Chair, County Administrator, Clerk to Council and other County Officials to execute and consent to such documents and instruments, including, *e.g.*, purchase-sale agreements, option contracts, or other similar agreements, as may be necessary to effect the intent of this Ordinance, the issuance of the Bonds or BANs, and any documents related to the transfer to, or acquisition from (or both), the Projects.

SECTION 22. *Publication of Notice of Adoption of Ordinance pursuant to Section 11-27-40, Paragraph 8, of the Code of Laws of South Carolina, 1976.* Pursuant to the provisions of Section 11-27-40 of the Code, the County Administrator, at his option, is authorized to arrange to publish a notice of adoption of this Ordinance.

SECTION 23. *Retention of Bond Counsel and Other Suppliers.* The Council authorizes the County Administrator to retain the law firm of Parker Poe Adams & Bernstein LLP as its bond counsel, and the firm of First Tryon Advisors, as its financial advisor, in connection with the issuance of the Bonds.

The Council further authorizes the County Administrator to enter into such contractual arrangements with printers and the suppliers of other goods and services necessary to the sale, execution and delivery of the Bond as is necessary and desirable. To the extent feasible, such arrangements shall be made with persons of sound reputation after obtaining two or more bids for such services; however, the County Administrator is authorized to make such arrangements without obtaining bids or quotes where (i) the services to be provided are unique or (ii) it is impractical to obtain bids in order to comply with any time requirements with respect to the issuance and sale of the Bond or (iii) the County has had previous experience with a supplier who has performed reliably and satisfactorily.

SECTION 24. *Reimbursement from Bond Proceeds.*

(a) This Ordinance is the Council's official declaration of intent pursuant to Regulation §1.150-2 promulgated by the Internal Revenue Service and the Treasury Department to reimburse the County for Project-related expenditures incurred and paid on or after the date occurring 60 days prior to the date of adoption of this Ordinance from the proceeds of the Bonds or BANs ("Expenditures").

(b) The County understands that Expenditures which may be reimbursed are limited to Expenditures which are (i) properly chargeable to a capital account (or would be so chargeable with a proper election or with the application of the definition of "placed in service" under Regulation §1-150-2) under general federal income tax principles, or (ii) certain *de minimis* or preliminary expenditures satisfying the requirements of Regulation §1.150-2(f).

(c) The source of funds for the Expenditures with respect to the Project will be the County's general fund or capital projects fund.

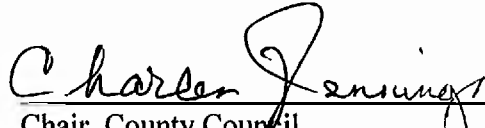

(d) The County understands that to be eligible for reimbursement of the Expenditures, the reimbursement allocation must be made not later than 18 months after the later of (i) the date on which the Expenditures were paid, or (ii) the date a Project is placed in service, but in no event more than three years after the County made the original Expenditures.

SECTION 25. *General Repealer.* All ordinances, rules, regulations, resolutions and parts thereof, procedural or otherwise, in conflict herewith or the proceedings authorizing the issuance of the Bond are, to the extent of such conflict, repealed and this Ordinance shall take effect and be in full force from and after its adoption.

SECTION 26. *No Personal Liability.* No recourse shall be had for the enforcement of any obligation, covenant, promise or agreement of the County contained herein or in the BANs or Bonds, and any other incorporated or referenced documents against any elected official of the County or any officer or employee, as such, in his or her individual capacity, past, present or future, of the County, either directly or through the County, whether by virtue of any constitutional provision, statute or rule of law, or by the enforcement of any assessment or penalty or otherwise, it being expressly agreed and understood that this Ordinance, the Bonds and BANs are solely governmental obligations, and that no personal liability whatsoever shall attach to, or be incurred by, any director, officer or employee, as such, past, present or future, of the County, either directly or by reason of any of the obligations, covenants, promises, or agreements entered into between the County and the owners of the Bonds or BANs or to be implied therefrom as being supplemental hereto or thereto, and that all personal liability of that character against every such elected official, officer and employee is, by the enactment of this Ordinance and the execution of the Bonds and BANs, and as a condition of, and as a part of the consideration for, the enactment of this Ordinance and the execution of the Bonds and BANs, expressly waived and released. TAX CERTIFICATE

The undersigned representative of McCormick County, South Carolina (the “**County**”), as an officer of the County charged with the responsibility for issuing the County’s General Obligation Bond, Series 2020, in an aggregate principal amount of \$2,600,000 (the “**2020 Bond**”), certifies, in good faith, that set forth in this Tax Certificate, dated August 26, 2020 (this “**Tax Certificate**”), are the County’s expectations, as of August 26, 2020 (the “**Issue Date**”), regarding the amount and the use of the Gross Proceeds (as hereinafter defined) of the 2020 Bond. In connection with the issuance and delivery of the 2020 Bond, the undersigned further certifies, with respect to the provisions of the Internal Revenue Code of 1986, as amended (the “**Code**”), including without limitation Sections 103 and 141 through 150 of the Code, and the applicable treasury regulations promulgated thereunder (the “**Regulations**”), as follows:

PART A. PURPOSE OF FINANCING; USE OF PROCEEDS

Section 1. *Purpose of Financing.*

(a) On the Issue Date, the County will issue and deliver the 2020 Bond to JPMorgan Chase Bank, NA (the “**Purchaser**”), in exchange for the receipt of the purchase price for the 2020 Bond equal to \$2,600,000.00 (the “**Issue Price**”), the proceeds of which will be used to (i) finance the acquisition, construction, furnishing and equipping of various County projects (the “**Project**”), (ii) pay capitalized interest on the 2020 Bond through March 1, 2021 and (iii) pay the costs related to the issuance of the 2020 Bonds (the “**Costs of Issuance**”).

(b) The 2020 Bond is being issued pursuant to Ordinance No. 19-07, adopted by the County Council of the County on July 21, 2020 (the “**Ordinance**”). Any capitalized term used in this Tax Certificate but not defined in this Tax Certificate has the same meaning given to such term in the Ordinance.

(c) The 2020 Bond is a general obligation of the County secured by the full faith and credit and taxing power of the County.

Section 2. *Gross Proceeds of the 2020 Bond.* Except as provided herein, the County will use all amounts actually or constructively received from the issuance and delivery of the 2020 Bond (the “**Sale Proceeds**”), together with all investment earnings thereon (the “**Investment Proceeds**”) and any proceeds transferred from any prior issue of obligations discharged with Sale Proceeds of the 2020 Bond (the “**Transferred Proceeds**,” and collectively with the Sale Proceeds and the Investment Proceeds, the “**Proceeds**”), to pay (a) costs of the Project, (b) Costs of Issuance and (c) capitalized interest on the 2020 Bonds through March 1, 2021. None of the Proceeds of the 2020 Bond will be used to discharge any principal of any prior issue of obligations and, therefore, there will be no Transferred Proceeds of the 2020 Bond. In addition, there are no amounts, as of the Issue Date, that have a sufficiently direct nexus to the 2020 Bond, or to the governmental purpose of the 2020 Bond, to conclude that such amounts, and any investment earnings thereon, would have been used for such governmental purpose if the Proceeds of the 2020 Bond were not used for such governmental purpose (the “**Replacement Proceeds**” and, collectively with the Proceeds, the “**Gross Proceeds**”).

Section 3. *Private Use; Disproportionate or Unrelated Use; Private Loan Amounts.* During the entire term that the 2020 Bond is outstanding, (a) not more than 10% of the Proceeds of the 2020 Bond or the Project will be used directly or indirectly, in any trade or business carried on by a private person (“**Private Use**”), and (b) not more than 10% of the Proceeds of the 2020 Bond, under the terms thereof or under any underlying arrangement, has been or will be, directly or indirectly, (i) secured by any interest in property used or to be used for any Private Use or payments in respect of property used or to be used for any Private Use, or (ii) derived from payments made in respect of any property used or to be used in any

Private Use (***“Private Payments”***). In addition, during the entire term that the 2020 Bond is outstanding, not more than 5% of the Proceeds of the 2020 Bond or the Project will be used, directly or indirectly, for any Private Use which is not related to any Governmental Use of such Proceeds or which is disproportionate to the Governmental Use to which such Private Use is related. For such purposes, disproportionate Private Use of the Proceeds of the 2020 Bond is an amount equal to the excess of the Proceeds used for a Private Use over the amount of such Proceeds used for a Governmental Use to which such Private Use relates. During the entire term that the 2020 Bond is outstanding, not more than 5% of the Proceeds of the 2020 Bond will be, used, directly or indirectly, to finance any loan to any person other than a state or local governmental unit.

Section 4. ***General Public Use; Governmental Use.*** For purposes of this Tax Certificate, the term ***“Governmental Use”*** means any use that is not Private Use. For purposes of this Tax Certificate, Private Use means any direct or indirect use of property financed with Proceeds of the 2020 Bond in a trade or business carried on by any person or any entity, including any entity described in Section 501(c)(3) of the Code, other than a state or local governmental unit (***“Private Person”***); *provided, however*, that use by any Private Persons in their trades or businesses as a member of the general public (***“General Public Use”***) is not considered Private Use if the financed property is intended to be available and, in fact, is reasonably available for use on the same basis by natural persons not engaged in a trade or business. Use under arrangements that convey priority rights or other preferential benefits is not use on the same basis as the general public. For purposes of this Tax Certificate, the United States of America is not a governmental unit. Private Use includes both actual and beneficial use of property financed with the Proceeds of the 2020 Bond, such as (a) ownership of financed property, (b) use of financed property pursuant to a lease, a management, service or incentive payment contract, and (c) any other similar arrangement, agreement or understanding, whether written or oral that conveys special legal entitlements for private use with respect to such financed property. With respect to property financed with Proceeds of the 2020 Bond that is not available for General Public Use, Private Use includes any arrangement that conveys special economic benefits, even in the absence of special legal entitlements. In connection with the foregoing, the County reasonably expects the Project to be for Governmental Use and, as of the Issue Date, the County reasonably expects that no Proceeds of the 2020 Bond or the Project will be used in any Private Use.

Section 5. ***Management and Service Contracts.*** All contracts or other arrangements with persons or entities engaged in a trade or business (other than governmental units) that permit or entitle a Private Person to (a) manage property financed with Proceeds of the 2020 Bond or (b) use such financed property (other than as a member of the general public) by, for example, providing services, comply and will continue to comply with the requirements of Revenue Procedure 2017-13 or any successor thereto, during the entire term that the 2020 Bond or any portion of the 2020 Bond is outstanding. In connection with the foregoing, the County will operate and maintain the Project and the County does not expect, as of the Issue Date, to enter into any management or service contract with a third party with respect to the operation or maintenance of the Project during the term that the 2020 Bond (or any portion of the 2020 Bond) is outstanding.

Section 6. ***No Change in Use.*** The County expects to own, use, operate and maintain the Project financed with Proceeds of the 2020 Bond at all times during the term that the 2020 Bond (or any portion of the 2020 Bond) is outstanding. The County does not know of any reason why the Project will not be so owned, used, operated and maintained in the absence of supervening circumstances not now anticipated by the County; adverse circumstances beyond the control of the County; or obsolescence of such insubstantial parts or portions of the Project that may occur as a result of normal use thereof.

PART B. ARBITRAGE

Section 1. ***No Overissuance; Expenditure and Allocation of Proceeds.*** The Proceeds of the 2020 Bond do not exceed the total amount necessary to pay (a) the costs of the Project, (b) capitalized interest (the “***Capitalized Interest***”) on the 2020 Bond through March 1, 2021 and (c) Costs of Issuance. No portion of the Proceeds of the 2020 Bond will be used as a substitute for other funds that were to be used to finance the costs of the Project and no portion of the Proceeds of the 2020 Bond will be used to acquire, directly or indirectly, securities, obligations or other investment property producing a yield in excess of the yield on the 2020 Bond. The term of the 2020 Bond is no longer than necessary to carry out the governmental purpose for which the 2020 Bond is being issued and the weighted average maturity of the 2020 Bond does not exceed 120% of the average expected economic life of the property financed with the Proceeds of the 2020 Bond. The County expects, as of the Issue Date, that the Proceeds of the 2020 Bond and the Investment Proceeds thereon will be necessary and will be applied by the County to pay the costs of the Project and Costs of Issuance within three years of the Issue Date of the 2020 Bond.

Section 2. ***Qualification of Sale Proceeds for Temporary Periods.***

(a) Sale Proceeds of the 2020 Bond in the amount of \$2,526,600.28 will be deposited in funds or accounts of the County, or a depository therefor (such funds or accounts, the “***Project Fund***” and the “***Capitalized Interest Fund***”), for the purpose of paying the costs of the Project, Capitalized Interest, and Costs of Issuance. As of the Issue Date, the County expects that at least 85% of the Sale Proceeds of the 2020 Bond allocable to the Project, together with the Investment Proceeds thereon, will be expended to pay costs of the Project and will be allocated to expenditures to pay costs of the Project by the third anniversary of the Issue Date. The County has incurred, or expects to incur within six months of the Issue Date, substantially binding obligations (*i.e.*, not subject to contingencies within the control of the County or a related party to the County) to third parties to expend at least 5% of the Sale Proceeds of the 2020 Bond to pay costs of the Project. The County will proceed with due diligence to complete the renovation, construction, improving, equipping, repairing and acquisition, as applicable, of the Project and to allocate the Sale Proceeds of the 2020 Bond to such costs of the Project. Accordingly, the Sale Proceeds of the 2020 Bond held within the Project Fund qualify for the three-year temporary period set forth in Section 1.148-2(e)(2) of the Regulations and such Proceeds may be invested, pending disbursement, at an unrestricted yield for a three-year period beginning on the Issue Date, and thereafter at a yield that does not exceed the yield on the 2020 Bond plus 0.125%.

(b) [Reserved].

(c) Proceeds on deposit in the Capitalized Interest Fund in the amount of \$15,899.72 will be used to pay capitalized interest on the 2020 Bond through March 1, 2021. Such Proceeds of the 2020 Bond may be invested, pending disbursement, at an unrestricted yield for a temporary period not to exceed three years beginning on the Issue Date. Following such three-year period, such Proceeds may be invested at a yield that does not exceed the yield on the 2020 Bond plus 0.125%.

Section 3. ***Bona Fide Debt Service Fund.*** The County will deposit taxes, revenues and other amounts received from time to time by the County (the “***County Revenues***”) in a fund or account of the County, or a depository therefor, and the disbursement of amounts from such fund or account will be used for general purposes of the County. The portion of such fund or account that is reasonably expected to be used to pay the principal of and interest on the 2020 Bond (such portion of such fund or account hereinafter referred to as the “***Sinking Fund***”) constitutes Replacement Proceeds of the 2020 Bond and such Replacement Proceeds are subject to the restrictions set forth in Sections 103 and 141 through 150 of the Code and the applicable Regulations. For purposes of this Tax Certificate, “***Bond Year***” means each one-

year period commencing on the Issue Date and on the anniversary date of the immediately succeeding year, unless a different period is selected by the County. The Sinking Fund will be used primarily to achieve a proper matching of County Revenues and the principal and interest payments due and payable on the 2020 Bond within each Bond Year. At least once each Bond Year, all amounts held in the Sinking Fund will be expended to pay the principal of and interest on the 2020 Bond except for a reasonable carryover amount that does not exceed the greater of (a) the earnings on the Sinking Fund for the immediately preceding Bond Year or (b) one-twelfth of the annual principal and interest payments on the 2020 Bond for the immediately preceding Bond Year. Accordingly, the Sinking Fund qualifies as a bona fide debt service fund under Section 1.148-1(b) of the Regulations and amounts on deposit in the Sinking Fund may be invested without regard to Yield limitations.

Section 4. ***No Other Funds as Security.*** In the event that the County fails to pay the principal of and interest on any general obligation debt, including the 2020 Bond, when due and payable, the Constitution of the State of South Carolina (the “*State*”) and certain statutory enhancements thereto (the “*State Intercept Provision*”) authorize the Treasurer of the State to (a) advance amounts from the general fund of the State (the “*State General Fund*”) to be used to pay the principal of and interest on such general obligation debt, including the 2020 Bond, when due and payable if the County fails to pay the principal of and interest on such general obligation debt, including the 2020 Bond, when due and payable and (b) withhold the amount required to reimburse the State General Fund for such advance from any amounts collected or appropriated by the State to be otherwise distributed to the County. The State Intercept Provision further requires certain measures to be taken to prevent repetition of the use of the State Intercept Provision. The State Intercept Provision does not cause any portion of the State General Fund to constitute Replacement Proceeds because (a) any amounts advanced from the State General Fund represent an advance of a portion of the State appropriation to which the County is entitled pending receipt by the County of such State-appropriated amounts to which the County is entitled and, therefore, does not constitute a pledge directly or indirectly of amounts on deposit in the State General Fund to pay the principal of and interest on the 2020 Bond other than amounts that constitute State-appropriated amounts to which the County is entitled and (b) the County does not reasonably expect any portion of the State General Fund to be used directly or indirectly to pay the principal of and interest on the 2020 Bond when due and payable pursuant to the State Intercept Program. Other than the Sinking Fund, there are no funds or accounts established by the County pursuant to or with respect to the 2020 Bond or otherwise that are (a) reasonably expected to be used to pay the principal of and interest on the 2020 Bond or (b) pledged as collateral for the 2020 Bond or the payment of principal of and interest on the 2020 Bond, and for which there is a reasonable assurance that amounts therein will be available to pay the principal of and interest on the 2020 Bond if the County encounters financial difficulties.

Section 5. ***Use and Investment of Gross Proceeds.***

(a) On the Issue Date, the Sale Proceeds derived from the sale of the 2020 Bond equal to \$2,600,000.00, will be used and invested as follows:

(i) \$2,526,600.28 will be deposited to the Project Fund, to be used to pay costs of the Project,

(ii) \$57,500.00 will be applied to pay Costs of Issuance of the 2020 Bond, and

(iii) \$15,899.72 of the Sale Proceeds of the 2020 Bond will be deposited to be used to pay the capitalized interest on the 2020 Bond through March 1, 2021.

(b) Proceeds of the 2020 Bond on deposit in the Project Fund allocable to the Project may be invested at an unrestricted yield for a temporary period not to exceed three years from the

Issue Date, and, following such three year period, such amounts, if any, will be invested at a yield that does not exceed the yield on the 2020 Bond plus 0.125%.

(c) Amounts deposited to the Project Fund allocable to the Costs of Issuance of the 2020 Bond may be invested at an unrestricted yield for a period not to exceed thirteen months beginning on the Issue Date and, following such thirteen-month period, such amounts, if any, may be invested at a yield that does not exceed the yield on the 2020 Bond plus 0.001%.

(d) Amounts deposited in the Sinking Fund may be invested at an unrestricted yield for a period not to exceed thirteen months beginning on the date of deposit of such amounts in the Sinking Fund and, following such thirteen-month period, such amounts, if any, will be invested at a yield that does not exceed the yield on the 2020 Bond plus 0.001%.

(e) Investment Proceeds realized on Proceeds of the 2020 Bond, if any, may be invested at an unrestricted yield for a temporary period not to exceed one year from the date of receipt of such Investment Proceeds, and, following such one-year period, such amounts, if any, will be invested at a yield that does not exceed the yield on the 2020 Bond plus 0.001%.

(f) Any amounts deposited in any fund or account of the County, such as the Sinking Fund, that are reasonably expected to be used, directly or indirectly, to pay the principal of and interest on the 2020 Bond that *are not expended* at least once each Bond Year to pay the principal of and interest on the 2020 Bond (the “*Retained Sinking Fund Amounts*”) may be invested at an unrestricted yield for only a 30-day period beginning on date of deposit and, following such 30-day period, such amounts, if any, will be invested at a yield that does not exceed the yield on the 2020 Bond plus 0.001%. Investment Proceeds realized on Retained Sinking Fund Amounts, if any, may be invested at an unrestricted yield for only a 30-day period beginning on the date of receipt of such Investment Proceeds and, following such 30-day period, such amounts, if any, will be invested at a yield that does not exceed the yield on the 2020 Bond plus 0.001%.

(g) As set forth in Section 4 of Part B of this Tax Certificate, as of the Issue Date, there are no funds or amounts pledged as security for the payment of the principal of or interest on the 2020 Bond when due and payable. In the event that any amounts are pledged as security for the payment of all or any portion of the principal of or interest on the 2020 Bond when due and payable after the Issue Date and there is a reasonable assurance that such amounts will be available to pay all or any portion of the principal of or interest on the 2020 Bond if the County encounters financial difficulties (the “*Pledged Fund Amounts*”), such amounts may be invested at an unrestricted yield for only a 30-day period beginning on the date of receipt, and, following such 30-day period, at a yield that does not exceed the yield on the 2020 Bond plus 0.001%.

(h) If the aggregate of the amounts described in this Section 5 that are restricted to investment at a yield that does not exceed the yield on the 2020 Bond plus 0.001% or 0.125%, as applicable, does not exceed the lesser of 5% of the Sale Proceeds of the 2020 Bond and \$100,000.00 (the “*Minor Portion*”), such amounts may be invested at an unrestricted yield.

(i) Amounts described in subsections (a) through (h) of this Section 5 that are restricted to investment at a yield that does not exceed the yield on the 2020 Bond plus 0.001% or 0.125%, as applicable, may be invested in (i) tax-exempt obligations (within the meaning of Section 103 of the Code (the interest on which is not an item of tax preference within the meaning of the Section 57(a)(5) of the Code), (ii) stock of a tax-exempt mutual fund (within the meaning of Section 1.150-1(b) of the Regulations), or (iii) invested in United States Treasury Securities - State and Local Government Series with a yield not more than the yield on the 2020 Bond plus 0.001% or 0.125%, as applicable.

Section 6. **Issue Price of 2020 Bond.** The County will issue and deliver the 2020 Bond to the Purchaser on the Issue Date in exchange for the receipt of an amount equal to \$2,600,000.00 to be used to pay the costs of the Project and Costs of Issuance. The County is not aware of any facts or circumstances that would cause it to question the accuracy of the representations made by the Purchaser contained in Exhibit A to this Tax Certificate. Based on Exhibit A to this Tax Certificate, the Issue Price of the 2020 Bond is equal to \$2,600,000.00.

Section 7. **Computation of Yield.**

(a) For purposes of computing the yield on the 2020 Bond, the term “**yield**” means the yield on the 2020 Bond computed pursuant to Section 1.148-4 of the Regulations, which is the discount rate that, when used in computing the present value as of the Issue Date of all unconditionally payable payments over the term of the 2020 Bond of principal of, interest on, and (in certain instances) stated redemption prices of the 2020 Bond, fees paid, and other amounts reasonably expected to be paid as fees, for qualified guarantees for the 2020 Bond and amounts properly allocable to a qualified hedge for the 2020 Bond, produces an amount equal to the present value, using the same discount rate, of the aggregate issue price of the 2020 Bond as of the Issue Date as determined under Sections 1273 and 1274 of the Code. As of the Issue Date, the County has not entered into and does not expect to enter into any qualified hedging transaction within the meaning of Section 1.148-4(h) of the Regulations with respect to the 2020 Bond, such as an interest rate swap agreement. In addition, as of the Issue Date, the County has not obtained and does not expect to obtain any qualified guarantee, within the meaning of Section 1.148-4(f) of the Regulations, with respect to the 2020 Bond. For purposes of calculating the yield on the 2020 Bond, the issue price of the 2020 Bond, based on the Certificate of the Purchaser attached hereto as Exhibit A, is equal to \$2,600,000.00.

(b) For purposes of computing the yield on any security, obligation, annuity contract or other investment-type property that is not acquired to carry out the governmental purpose of the 2020 Bond (each, a “**Nonpurpose Investment**”) allocable to Proceeds of the 2020 Bond, the term “**yield**” means the yield on such Nonpurpose Investment as computed pursuant to Section 1.148-5 of the Regulations, which is the discount rate that, when used in computing the present value as of the date such Nonpurpose Investment is first allocated to the 2020 Bond of all unconditionally payable receipts from such Nonpurpose Investment, produces an amount equal to the present value of all unconditionally payable payments for such Nonpurpose Investment.

(c) Yield is computed using any consistently applied reasonable standard financial convention and compounding interval of not more than one year. For purposes of calculating the yield on any Nonpurpose Investment, the purchase price is the amount paid for such Nonpurpose Investment or, if different, the fair market value of such Nonpurpose Investment on the date it is deemed to constitute Gross Proceeds, and the disposition price is the amount received for such Nonpurpose Investment or, if different, the fair market value of such Nonpurpose Investment on the date it ceases to be Gross Proceeds. Any Nonpurpose Investments acquired with amounts that are restricted to investment at the yield on the 2020 Bond plus 0.001% or 0.125%, as applicable, as described in Section 5 of this Part B (i) shall be purchased at prevailing market prices and shall be limited to securities for which there is an established market or (ii) shall be used to purchase United States Treasury Securities - State and Local Government Series with a yield not in excess of the permissible yield on the 2020 Bond plus 0.001% or 0.125%, as applicable.

Section 8. **Universal Cap.** Notwithstanding any restrictions on the investment of the Gross Proceeds of the 2020 Bond, the Gross Proceeds of the 2020 Bond will be allocated to and will remain allocated to the 2020 Bond and are thereby subject to the restrictions set forth in Sections 103 and 141 through 150 of the Code and the applicable Regulations only to the extent that the value of the Nonpurpose

Investments allocable to such Gross Proceeds does not exceed the value of the outstanding 2020 Bond (the “**Universal Cap**”). As of the Issue Date, the County reasonably expects that, during the term of the 2020 Bond, the Universal Cap described in Section 1.148-6(b)(2) of the Regulations will not reduce the amount of Gross Proceeds allocated to the 2020 Bond.

Section 9. **No Abusive Arbitrage Device.** The 2020 Bond is not being issued as part of a transaction or series of transactions that attempts to circumvent the provisions of Section 148 of the Code and the Regulations promulgated thereunder by enabling the County to exploit the difference between tax-exempt and taxable interest rates to obtain a material financial advantage and to overburden the tax-exempt bond market.

Section 10. **Qualification for Small Issuer Exemption from Rebate.**

(a) The County represents that (i) the County is a governmental unit with general taxing powers, (ii) the 2020 Bond is not a “private activity bond” as defined in the Code, (iii) 95% or more of the net proceeds of the 2020 Bond will be used for local governmental activities of the County and (iv) the aggregate face amount of all tax-exempt obligations (other than private activity bonds) issued by the County, all entities issuing obligations on behalf of the County and all subordinate entities of the County during the calendar year 2020 is not reasonably expected to exceed \$5,000,000. As such, the 2020 Bond is exempt from the rebate requirements of Section 148(f) of the Code by virtue of Section 148(f)(4)(D). (b) In the event that the Proceeds of the 2020 Bond do not qualify for the small issuer exemption to the arbitrage rebate requirements, the County will comply with the rebate requirements applicable to the Proceeds of the 2020 Bond in accordance with Section 148(f) of the Code and the applicable Regulations (the “**Rebate Requirement**”). The Rebate Requirement generally requires that an amount equal to the sum of (a) the excess of the aggregate amount earned on all Nonpurpose Investments over the amount that would have been earned if such Nonpurpose Investments had a yield equal to the yield on the 2020 Bond, plus (b) any investment earnings attributable to the excess described in clause (a), be paid to the United States.

Section 11. **Record Keeping.** The County, or any depository therefor, shall record or cause to be recorded, with respect to each Nonpurpose Investment acquired with and allocable to Gross Proceeds of the 2020 Bond in any fund or account established and held by the County or such depository, the following: (a) the purchase date, (b) the purchase price, (c) any information establishing that the purchase price is the fair market value as of such date (e.g., the published quoted bid by a dealer in such an investment on the date of purchase), (d) any accrued interest paid, (e) the face amount, (f) the coupon rate, (g) the periodicity of interest payments, (h) the disposition price, (i) any accrued interest received, and (j) the disposition date. To the extent that any investment becomes a Nonpurpose Investment by becoming allocable to Gross Proceeds of the 2020 Bond after the date such investment was originally purchased, it shall be treated as if it were acquired at its fair market value at the time it becomes a Nonpurpose Investment. To the extent that any investment ceases to be a Nonpurpose Investment by ceasing to be allocable to Gross Proceeds of the 2020 Bond prior to the date it is disposed of or matures, it shall be treated as if it were disposed of at its fair market value at the time it ceased to be a Nonpurpose Investment.

Section 12. **Record Retention.** Amounts that are determined to be required to be paid to the United States in compliance with the Rebate Requirement shall be paid by the County to the United States in accordance with the rules set forth in the Regulations. Records of any and all such determinations shall be retained by the County, or any depository therefor, until three years after the date that the 2020 Bond have been paid in full. The County will maintain or cause to be maintained, in hard copy or in electronic form capable of reproducing hard copies, all material and relevant records related to the 2020 Bond, the investment of the Gross Proceeds of the 2020 Bond, the use of the Gross Proceeds of the 2020 Bond, and the use of the Project financed with the Proceeds of the 2020 Bond for the entire term that any portion of

the 2020 Bond is outstanding, plus three years after the final maturity of the 2020 Bond or any bonds that refund (including through a series of refundings) the 2020 Bond or any portion of the 2020 Bond. Such records to be maintained include, but are not limited to, this Tax Certificate, all of the documents related to the 2020 Bond, documentation evidencing the expenditure and allocation of the Proceeds of the 2020 Bond, use of the Project (e.g., copies of all management contracts, leases and research agreements), all sources of payments and security for the 2020 Bond, all records relating to the investment of the Gross Proceeds of the 2020 Bond, all rebate calculations and yield reduction payments calculations, all Form 8038s, Form 8038-Ts and other forms related to the 2020 Bond which are filed with the Internal Revenue Service and all other records related to the 2020 Bond and the Project.

PART C. OTHER MATTERS

Section 1. ***Single Issue.*** There are no other governmental obligations of the County that (a) will be sold within 15 days before or after August 12, 2020, the sale date of the 2020 Bond, (b) are being sold pursuant to the same plan of financing together with the 2020 Bond and (c) are reasonably expected to be paid from substantially the same source of funds as the 2020 Bond, determined without regard to guarantees from unrelated parties.

Section 2. ***Not Hedge Bond.*** The County reasonably expects that at least 85% of the Proceeds of the 2020 Bond will be used to carry out the governmental purpose of the 2020 Bond within the three-year period beginning on the Issue Date. In addition, none of the Proceeds of the 2020 Bond or any Investment Proceeds thereon will be invested in Nonpurpose Investments having a substantially guaranteed yield for four years or more.

Section 3. ***No Pooled Financing.*** No portion of the Proceeds derived from the sale of the 2020 Bond will be used, directly or indirectly, to make or finance any loan to two or more ultimate borrowers.

Section 4. ***No Federal Guarantee.*** The County will not directly or indirectly use or permit the use of any Proceeds of the 2020 Bond or any other funds of the County in any manner, or take or omit to take any action, that would cause the 2020 Bond to be considered “federally guaranteed” within the meaning of Section 149(b) of the Code. The County has not entered and will not enter into any (a) long-term service contract with any federal governmental agency, (b) service contract with any federal governmental agency under terms that are materially different from the terms of any contracts with persons other than a federal governmental agency or (c) lease of property to any federal governmental agency that would cause the 2020 Bond to be considered “federally guaranteed” within the meaning of Section 149(b) of the Code.

Section 5. *Working Capital; Reimbursement.*

(a) No portion of the Proceeds of the 2020 Bond has been or will be used to pay any working capital expenditures of the County.

(b) No portion of the Proceeds of the 2020 Bond will be used to reimburse the County for any expenditures incurred and originally paid by the County for costs of the Project prior to the Issue Date other than (a) Costs of Issuance, (b) preliminary expenditures, such as architectural, engineering, surveying, soil testing, reimbursement bond issuance, and similar costs that are incurred prior to commencement of the renovation, construction, improving, equipping, and repairing of the Project (other than land acquisition, site preparation and similar costs incident to construction) up to an amount not in excess of 20% of the aggregate issue price of the 2020 Bond and (c) an amount not in excess of the lesser of \$100,000.00 and 5% of the Proceeds of the 2020 Bond.

Section 6. ***Information Reporting.*** The County certifies that the information set forth in the Internal Revenue Service Form 8038-G relating to the 2020 Bond attached hereto as Exhibit B reflects its

reasonable expectations with respect to the 2020 Bond and the Proceeds of the 2020 Bond as of the Issue Date. The County will file or cause to be filed, no later than November 15, 2020, with the Internal Revenue Service at the Internal Revenue Service Center, Ogden, Utah, or such other place as may be required at such time by the Internal Revenue Service or the applicable Treasury Regulations, an executed copy of such Internal Revenue Service Form 8038-G in order to provide to the Internal Revenue Service the information required by Section 149(e) of the Code with respect to the 2020 Bond and the Proceeds of the 2020 Bond.

Section 7. ***Eligible For Bank Qualification.*** During the 2020 calendar year, the amount of tax-exempt obligations within the meaning of Section 265(b)(3) of the Code that the County will issue, including all entities which issue obligations on behalf of the County and all subordinate entities of the County, including the 2020 Bond, will not exceed \$10,000,000.00. The 2020 Bond, therefore, may be, and hereby is, designated as a qualified tax-exempt obligation for purposes of Section 265(b)(3)(B) of the Code and, therefore, is eligible for a deduction of interest by financial institutions under Section 265(b) of the Code.

\$2,600,000
McCormick County, South Carolina
General Obligation Bond
Series 2020

Ladies and Gentlemen:

We have acted as bond counsel to McCormick County, South Carolina ("County"), in connection with the issuance of its \$2,600,000 General Obligation Bond Series 2020 ("Bond"). In that capacity, we have examined a certified copy of the record of proceedings and other proofs submitted to us, including South Carolina law and the Constitution of the State of South Carolina, 1895, as amended ("Constitution").

The Bond is issued as a single certificate, numbered R-1, dated August 26, 2020, in fully-registered form as to principal and interest in the name of the registered owner at the office of the McCormick County Treasurer on registry books kept for that purpose, in the principal amount of \$2,600,000. The Bond bears interest at 1.19% per annum (based on a 360-day year consisting of twelve 30-day months) from the date thereof, and is payable as to interest on each March 1 and September 1, commencing March 1, 2021, until final maturity. The Bond is subject to mandatory, sinking fund redemption on September 1 in each of the years and in the principal amounts as shown in the Bond. The Bond is not subject to optional redemption.

The Bond recites that it is issued pursuant to and in accordance with the Constitution and laws of the State of South Carolina ("State"), including Article X, Section 14, as amended; Title 4, Chapter 15 and Title 11, Chapter 27 of the Code of Laws of South Carolina 1976, as amended, and an Ordinance enacted by the McCormick County Council on July 21, 2020.

As to questions of fact material to our opinion, we have relied on the Record of Proceedings and other certifications of public officials furnished to us without undertaking to verify the same by independent investigation.

In rendering the opinions expressed below, we do not purport to be experts in or generally familiar with or qualified to express legal opinions based on the laws of any jurisdiction other than the federal laws of the United States of America and the laws of the State, and the opinions are limited to the federal laws of the United States of America and the laws of the State.

Based on the stated examination and assumptions, and subject to the qualifications and limitations set out below, we are of the opinion, under existing law:

1. The County is a validly existing body, corporate and politic, and a political subdivision of the State.
2. The Ordinance was read and enacted by the County Council at meetings duly called and held on June 16, June 26, and July 21, 2020, at which a quorum was present and acting throughout. The Ordinance has not been modified, amended or repealed and is in full force and effect on and as of the date hereof.
3. The proceedings are regular and in due form of law, the Bond has been duly authorized, executed and delivered by the County, and is a valid and legally binding general obligation of the County, enforceable according to its terms.
4. The full faith, credit, taxing power and resources of the County are irrevocably pledged for the payment of the principal of and interest on the Bond as it matures and for the creation of a sinking fund as may be necessary to provide for the prompt payment thereof. At the issuance of the Bond, there shall be levied annually by the County Auditor and collected by the County Treasurer in the same manner as other County taxes are levied and collected, a tax, without limit, on all taxable property in the County sufficient to pay the principal and interest on the Bond as it matures and to create a sinking fund as may be necessary therefor. The proceeds of the levy will be held by the County Treasurer, in an account separate from all other funds of the County (but which may contain other funds with respect to other general obligation bonds of the County) and the amounts in such account shall be used solely for the payment of the principal of and interest on the Bond and any other outstanding general obligation bonds of the County.
5. Interest on the Bond is excludable from gross income for federal income tax purposes and is not an item of tax preference for purposes of the federal alternative minimum tax. The opinion set forth in the preceding sentence is subject to the condition that the County comply with all requirements of the Internal Revenue Code of 1986, as amended ("Code"), that must be satisfied subsequent to the issuance of the Bond in order that the interest thereon be, and continue to be, excludable from gross income for federal income tax purposes. The County has covenanted to comply with all such requirements. Failure to comply with certain of such requirements may cause interest on the Bond to be included in gross income for federal income tax purposes retroactively to the date of issuance of the Bond.
6. The County has designated the Bond as a "qualified tax-exempt obligation" within the meaning of Section 265(b)(3) of the Code, and, in the case of certain financial institutions (within the meaning of Section 265(b)(5) of the Code), a deduction is allowed for 80% of that portion of such financial institutions' interest expense allocable to interest on the Bond.
7. The Bond and the interest thereon are exempt from all State, county, municipal, school district and all other taxes or assessments, direct or indirect, general or special, whether imposed for

the purpose of general revenue or otherwise, except for inheritance, estate or transfer taxes; but the interest thereon may be includable for certain franchise fees or taxes.

8. Under the laws of South Carolina, the County is not immune from suits arising out of contract claims by reason of sovereign immunity.

The rights of the registered owner of the Bond and the Bond's enforceability may be subject to judicial discretion, the valid exercise of the sovereign police powers of the State and the constitutional powers of the United States of America, and valid bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors' rights generally, as well as other equitable principles.

Except as set forth above, we express no opinion in connection with the issuance of the Bond. The opinions expressed above are rendered solely for your benefit and your successors and assigns in connection with the issuance of the Bond. These opinions may neither be relied on by you for any other purpose nor be furnished to, used, circulated, quoted or relied on by any other person or entity for any other purpose, without our prior written consent in each instance. We disclaim any obligation to update the opinions expressed above for events occurring or coming to our attention after the date of this opinion letter.

Very truly yours,

Ladies and Gentlemen:

We have acted as special counsel to McCormick County, South Carolina ("County") in connection with the above-captioned bond ("Bond"). We are rendering this opinion to you in accordance with the terms of your proposal dated August 12, 2020, for the purchase of the Bond.

As of the date hereof there is no litigation pending in a court of competent jurisdiction or, to our knowledge, threatened, restraining or enjoining the issuance and delivery of the Bond, or the levy and collection of taxes to pay the principal of and interest on the Bond, or questioning the proceedings and authority under which the same are made, or affecting the validity of the Bond; that neither the corporate existence or boundaries of the County nor the title of the present officers of the County to their respective offices is being contested; and that no authority for the issuance of the Bond or proceedings has been repealed, revoked or rescinded.
