# RECORDING A NEW ERA

## A new McLeod County Recorder is in office

For the first time in nearly two decades, McLeod County has a new Recorder.

Deb Jensen officially took over as the 13th County Recorder in McLeod County history in early June, following the retirement of Lynn Ette Schrupp.

Taking over as the 13th McLeod County Recorder in County history is Deb Jensen (above).

Former McLeod County Recorder Lynn Ette Schrupp (below) retired June 3 after nearly 20 years.

Schrupp had worked in the Recorder's Office for 37 years and served as County Recorder since 2003. Despite the change in leadership, County residents likely haven't noticed a difference. Though she's new to the role, Jensen has worked in the County Recorder's Office since 1992, and has been Chief Deputy Recorder since Schrupp first took office.

"She's my right hand, and sometimes my left too," Schrupp said of Jensen.

"We're two months short of working together 30 years," Jensen said.

While the Recorder's Office may not receive as much publicity as other County
