www.fvap.gov/pubs/onlinefpc.html.

Through the Voting Information Center you can hear messages from Secretary of State Mark Ritchie at 800-438-8683.

You can also get more information on the Minnesota Secretary of State's website at www.sos.state.mn.us.

Procedures

These procedures apply to persons who are members of the Uniformed Services and their dependents who are also U.S. citizens and residents of Minnesota. Uniformed Services are defined as the U.S. Armed Forces, merchant marine, and commissioned corps of the Public Health Service and the National Oceanic and Atmospheric Administration.

Follow these steps:

1. Start by contacting your Unit/Organization Voting Assistance Officer for help in absentee registration and voting.
2. Obtain a FPCA (Federal Post Card Application) from your unit's Voting Assistance Officer or see www.fvap.gov/pubs/onlinefpc.pdf to download an online FPCA.
3. Carefully complete your application by following the instructions. When signing the application, you are swearing or affirming that the information is true and correct. The application needs to be witnessed or notarized only if the military ID or passport number of the voter is not provided. This also applies for an authorized individual signing on the voter's behalf. Then fax or mail your application to your county auditor as soon as possible. There is no "Start" time for doing so. No Application is too early.
4. The ballot will be mailed to you 30 days before each election, or after receipt of your application, if less than 30 days.
5. Mail your completed ballot to the county auditor as soon as possible. **(In Minnesota ballots must be received before the polls close on Election Day, or they will not be counted.)**

Tips to ensure that your vote gets counted:

- A. You must currently be a Minnesota resident or your last place of residence in the United States must have been Minnesota.
- B. You do not have to be a currently registered voter in Minnesota to apply.
- C. Mail or fax your FPCA to your auditor as soon as possible. The FPCA form is now valid for a span covering two general federal elections.
- D. Military spouses and dependents can use the same process to apply for absentee ballots.
- E. A member of your immediate family (spouse, parent, sister, brother, or child over 18 years of age) can complete and submit your application for you.
- F. Allow enough time to mail the ballot. Remember, the voted ballot must be received before the polls close on Election Day.
- G. Minnesota does not allow you to receive or return ballots by fax.
- H. If you are located outside the U.S., have applied for and have not received your state ballot in a timely manner, request a Federal Write-In Absentee Ballot from your Voting Assistance Officer.
