Try a Trail!

State trails offer something for everyone in every season of the year. These trails are perfect for a close-to-home workout in an outdoor setting, a fun day trip, or an adventurous weekend getaway exploring Minnesota’s remote reaches. These trails link urban places and country spaces and let you explore all the beauty of Minnesota at your own pace. Historic sites, parks, forests, lakes and creeks, and charming small towns are waiting for you to discover them.

You can trek through Minnesota’s snowy north woods on hundreds of miles of groomed snowmobile trails, or bicycle across sunlit prairies and rolling pastoral landscapes in central Minnesota. If you haven’t yet enjoyed the limestone cliffs and caves, sparkling trout streams, delicate spring wildflowers, and flashy fall colors of Minnesota’s southeastern blufflands, you are in for a treat!

Small towns along the trails have put out the welcome mat for visitors to their cafes, bed-and-breakfast inns, resorts, and campgrounds. Equipment rental is available in many trail towns. Special events are held on the trails year-round, such as candle-lit cross-country ski outings. Three-day bike tours for charitable causes use parts of the Willard Munger State Trail. Other trail towns sponsor marathons, bike tours and trail festivals. Check the DNR website often or call the Information Center for information on special events!

Happy Trails to You!
