NEWS RELEASE

County Highway 3 Rehabilitation Project Begin June 12

June 7, 2017

A 6.4 mile rehabilitation project on County Road 3 (110th Street) between County Road 75 (Nature Ave) and the west limits of Glencoe is scheduled to begin Monday, June 12, 2017. PCI Roads of St. Michael, MN was awarded the project.

The rehabilitation project involves milling off a portion of the black top road and paving a concrete overlay over the milled surface.

The road will be closed to thru traffic; there will be no posted detours in place. Local traffic having business along the road will be permitted but will encounter delays and inconveniences.

The project is expected to be completed around the end of July, 2017.

The cost of the project is \$3.7 million and is funded with State Aid funds.

Any questions regarding the project should be directed to Phil Schmalz, Assistant County Engineer at (320) 484-4362 or email at phillip.schmalz@co.mcleod.mn.us.

Attached is a one page handout with a map and more information.

Up to date project specific information will also be posted on our [Facebook](#) and [Twitter](#) pages; username is "McLeodCoHwy".
