### Open House set for future Road Construction Projects on County Highways 3 and 15

January 29, 2016

McLeod County is currently planning reconstruction projects on County State Aid Highway (CSAH) 3 from CSAH 1 to Carver County and CSAH 15 from CSAH 22 to Trunk Highway 7 (see attached project location map).

The Reconstruction will require Right of Way acquisition and include shoulder widening, horizontal and vertical alignment improvements, as well as a new driving surface. The projects are currently scheduled to have earthwork and aggregate base work take place in 2017. The paving of these roads will occur in 2018.

Individuals interested in learning more about these reconstruction projects are invited to an open house that will be held on February 17<sup>th</sup> from 5 PM – 7 PM at the McLeod County North Complex (2391 Hennepin Avenue - Glencoe, MN).

Project staff will be on hand to show preliminary project layouts, typical sections, and other project details. They will also be available to answer any related questions. There will be no formal presentations.

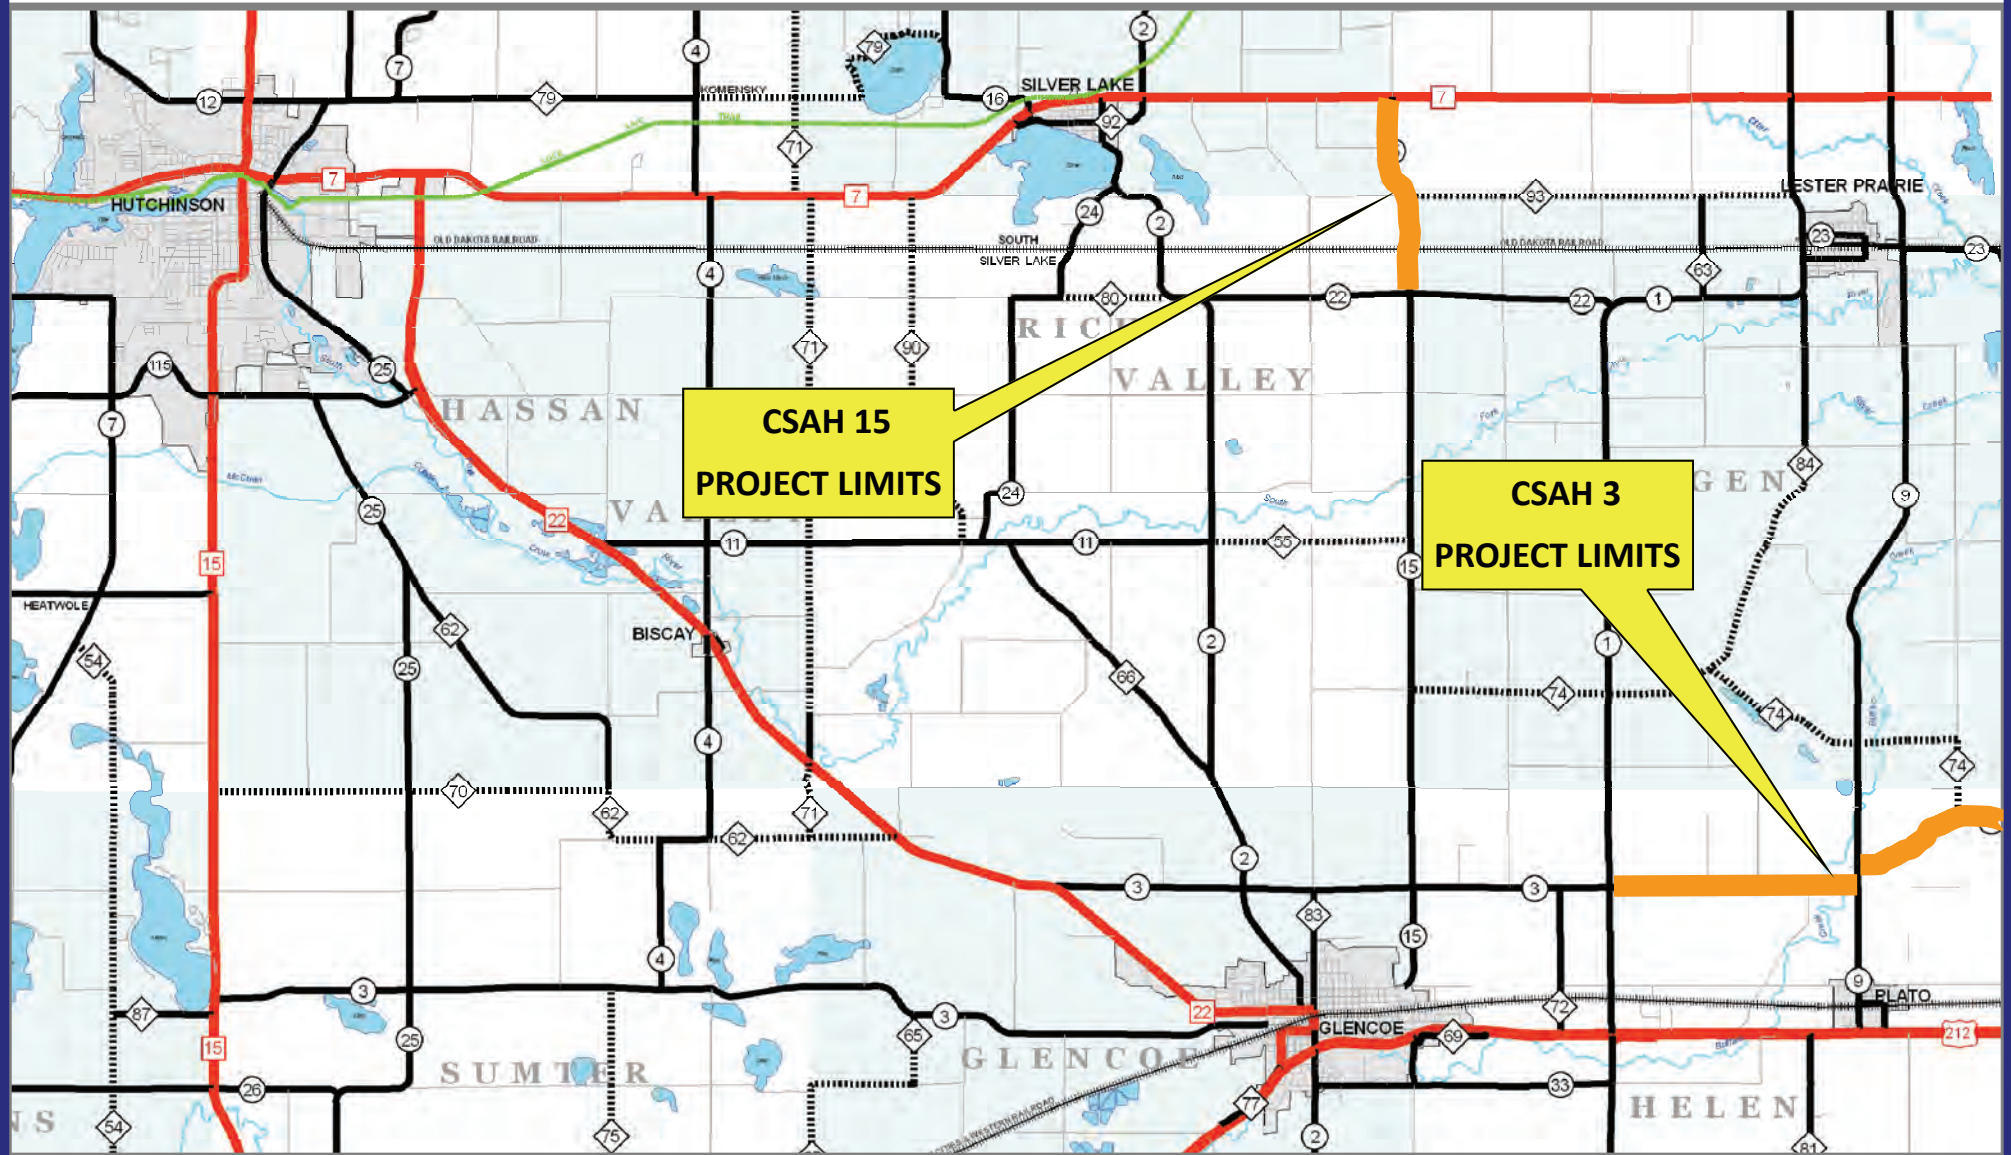

Any questions regarding these projects should be directed to Russ Fellbaum, Design Engineer at (320) 484-4353 or email at [Russell.Fellbaum@co.mcleod.mn.us](mailto:Russell.Fellbaum@co.mcleod.mn.us).
