**County Highways 3 and 15 Reconstruction Projects Resume
County Road 15 Rehabilitation Project Begins**

March 26, 2019

Road reconstruction projects on County Road 15 (Falcon Avenue) between CR 22 and State Hwy 7 and two segments of County Road 3 (120th & 122nd Streets) between CR 1 and Carver County are scheduled to resume next week. The majority of the remaining work includes gravel base and concrete surfacing.

In addition to the reconstruction projects, a rehabilitation project on County Road 15 between County Roads 3 and 22 (180th Street) consisting of a concrete overlay will be done this year. This segment of road will close on Monday, 4/29/19 to begin surveying work.

All roads will be closed to thru traffic; there will be no posted detours in place. Motorists are advised to use County Roads 1 and 2 as an alternative to CR 15 and 212 in lieu of CR 3.

Any questions regarding the project can be directed to Jessie Dehn, Assistant County Engineer at 320.484.4321 or Jessie.Dehn@co.mcleod.mn.us.
