NEWS RELEASE

County Highways 3 and 15 Reconstruction Projects Begin June 18

June 11, 2018

Road reconstruction projects on County Road 15 (Falcon Avenue) between CR 22 and State Hwy 7 and two segments of County Road 3 (120th & 122nd Streets) between CR 1 and Carver County are scheduled to begin Monday, June 18, 2018.

Mathiowetz Construction of Sleepy Eye, MN was awarded the \$11,962,562 project; which is funded with State Aid and County money.

The roads will be closed to thru traffic; there will be no posted detours in place. Motorists are advised to use County Roads 1 and 2 as an alternative to CR 15 and 212 in lieu of CR 3.

The projects will be done in 2 phases. This summer's work is expected to last into October and includes primarily pavement removal, culvert replacements, earthwork, and turf establishment. The final concrete surfacing will take place in 2019.

Any questions regarding the project can be directed to Nathan Barta, Sr. Engineering Technician.

John Brunkhorst, PE
McLeod County Engineer/Public Works Director

COUNTY ROAD 15

Reconstruction Project
