## NEWS RELEASE

### Mowing Begins This Week on County Roads

June 13, 2016

Partial County road ditch mowing will begin this week near intersections and areas where tall grass may cause reduced sight lines for motorists.

Next week we will start making a top cut adjacent to the shoulder on all County roads. We will also be mowing any thistle patches and other noxious weeds encountered in the entire road right of way. The mowing usually takes 2 weeks, weather permitting and is accomplished with 4 mower tractors.

We urge motorists to always drive with caution when encountering the mowers as well as any other highway maintenance equipment and slow down and watch for workers in any work zone.

Any questions regarding this should be directed to Elvis Voigt, Maintenance Superintendent at (320) 484-4321 or email at [elvis.voigt@co.mcleod.mn.us](mailto:elvis.voigt@co.mcleod.mn.us).

The McLeod County Highway Department appreciates your cooperation in helping us maintain our highway system.

John Brunkhorst, PE  
McLeod County Engineer
