

NEWS RELEASE

**County Highways 3 and 15 Reconstruction Projects
Status Changes**

August 2, 2019

The road reconstruction project on County Road 3 (120th Street) between County Road 1 and County Road 3 is now open to all traffic.

The reconstruction project on County Road 3 (122nd Street) between County Road 9 and Carver County will officially open to all traffic late next week. There are still some traffic signs that are scheduled to be installed early next week, weather permitting.

The reconstruction project on County Road 15 (Falcon Avenue) between County Road 22 and State Hwy 7 will remain closed due to a remaining centerline culvert that needs to be installed. This work is tentatively scheduled for the week of August 12.

McLeod County Public Works appreciates the patience and cooperation of the adjacent landowners and traveling public while these projects were under construction.

Any questions regarding the project can be directed to Jessie Dehn, Assistant County Engineer at 320.484.4321 or Jessie.Dehn@co.mcleod.mn.us.

John Brunkhorst, PE
McLeod County Engineer/Public Works Director
