NEWS RELEASE

FALL HARVEST REMINDERS

October 4, 2016

With the fall harvest starting to ramp up and the abundance of wet weather conditions, motorists are reminded to pay particular attention to slow moving farm machinery and watch for mud and other debris on the roadways.

Mud that is left on the roadways can create a safety hazard to motorists.

Persons depositing mud and other debris onto public roads and streets are responsible for its removal. Failure to clean up mud and other debris may be punishable as a misdemeanor ([Minnesota Statutes 169.42](#)).

The McLeod County Highway Department appreciates your cooperation in helping us maintain a safe highway system.

John Brunkhorst, PE
McLeod County Engineer
