FOLKS REMINDED TO CLEAN UP MUD

October 11, 2018

With the fall harvest starting and the abundance of wet weather conditions, motorists are reminded to pay particular attention to mud and other debris on the roadways.

Mud that is left on the roadways can create a safety hazard to motorists and motorcycles.

Persons depositing mud and other debris onto public roads and streets are responsible for its removal. Failure to clean up mud and other debris may be punishable as a misdemeanor ([Minnesota Statutes 169.42](#)).

McLeod County Public Works appreciates your cooperation in helping us maintain a safe highway system.

Any questions regarding this should be directed to the McLeod County Public Works at (320) 484-4321 or mcleod.highway@co.mcleod.mn.us.
