NEWS RELEASE

SPRING LOAD RESTRICTIONS TO BEGIN MARCH 6, 2018

March 5, 2018

Spring Load Restrictions will go into effect on all McLeod County Highways on Tuesday, March 6th, 2018 and will remain in effect until further notice.

These restrictions protect the investments we have made in our highways and help hold off costly pavement repair and unnecessary reconstruction.

The restrictions limit the weight on any single axle to five (5) tons on unpaved roads and ten (10) tons on paved roads. Some paved roads will be reduced further and posted accordingly with signs indicating maximum allowable axle loads.

Maps showing specific restrictions are available at our office or on the McLeod County website at http://www.co.mcleod.mn.us/Highway/Maps/2018_SLR.pdf.

Any questions regarding specific route postings should be directed to the McLeod County Highway Department at (320) 484-4321.

McLeod County Engineer/Public Works Director
