NEWS RELEASE

SPRING LOAD RESTRICTIONS TO END ON PAVED ROADS

May 16, 2011

Spring Load Restrictions will be removed on McLeod County's paved highways on Thursday, May 19, 2011.

Some gravel roads will continue to be restricted until they can firm up and recover.

Several roads will remain posted with a lesser weight restriction indefinitely; due to pavement condition.

All roads that remain restricted will be posted with signs indicating maximum allowable axle loads. Maps showing specific restrictions are available at our office or on the McLeod County website at www.co.mcleod.mn.us/highway/slr.

Any questions regarding specific route postings should be directed to the McLeod County Highway Department at (320) 484-4321.
