June 17, 2011

Construction on the second County Road 2 project is scheduled to begin June 20, 2011. This 1.2 mile project is located between 18th Street in Glencoe and 700' north of County Road 3. Duininck, Inc. of Prinsburg, MN was awarded the project.

The rehabilitation project is expected to be completed in early July, 2011 and includes removing some of the existing surfacing and placing a new concrete surface on top. A portion of this work will impact the intersection of County Road 2 and 3 as well.

The road will be closed to traffic; there will be no posted detours in place. Local traffic having business along the road will be permitted on the closed road and should expect delays and inconveniences.

This \$480,000 project is funded with State Aid funds.
