County Road 23 Opens To Traffic July 11, 2011

July 7, 2011

The County Road 23 reconstruction project located east of Lester Prairie between County Road 9 and Carver County is substantially complete and will be opened to all traffic Monday, July 11, 2011.

There is still minor work that remains, which will be on the shoulder or done with a lane closure or flaggers present, but traffic impacts should be minimal.

Our Highway Department and Mathiowetz Construction of Sleepy Eye, MN would like to thank the local residents and traveling public for their patience and cooperation while this segment of road was being reconstructed.
