NEWS RELEASE

McLeod County to Host Transportation Forum

September 14, 2011

A McLeod County Transportation Forum is scheduled for September 22, 2011 from 1 to 4 pm at the Glencoe City Center.

This forum is intended to engage city council members, city engineers, mayors, McLeod County Commissioners, McLeod County Department Heads, township officials, school officials, legislators, transit providers, the local chambers of commerce, EDA's, and anyone interested in what is happening in transportation in and around McLeod County.

Representatives from various agencies are scheduled to update the group, including McLeod County Highway Department, City of Hutchinson, Minnesota Transportation Alliance, MnDOT, and Twin Cities and Western Railroad. In addition to the individual presentations there will be an open forum for attendees to share thoughts and have an open dialogue on transportation issues affecting McLeod County and our region.

The forum is being co-sponsored by City of Glencoe, McLeod County Highway Department, and McLeod for Tomorrow, a group of citizen leaders whose goal is building greater awareness of our countywide community.

Any questions regarding the forum can be directed to John Brunkhorst, County Engineer at (320) 484-4321.
