(320) 328-4413 Stewart

Public Health
Prevent. Promote. Protect.

Foot Care Clinics

McLeod County Public Health
1805 Ford Avenue,
Suite 200
Glencoe, MN 55336
(320) 864-3185

What is the purpose of the foot care clinic?

To assist individuals age 55 and older, or under age 55 with a handicap condition, to attain and maintain optimal health and independence through regular foot care.

Who provides my care?

Under the direction of McLeod County's Medical Director, an RN or an LPN completes the foot care.

When do I receive care?

Clinics are held monthly at various sites in McLeod County.

How do I sign up for the clinic?

Call McLeod County Public Health for a screening to determine if you can be seen at a clinic or to ask us any questions. When you call, ask to talk with a Foot Care Nurse.

If you have Diabetes, are prescribed a blood thinning medication, have numbness of the feet, or have open skin, we may not be able to trim your toenails. We will refer you to a podiatrist if we cannot trim your toenails.

What is the cost?

\$25 per clinic visit, which is payable at the time of your appointment.

Preparation for Appointment

Please soak your feet for about 15 minutes within a few hours of your appointment time. This is to soften the nails for easier cutting.
