

How to prepare your Single-Sort Recyclables

We recommend rinsing containers that have residual contents, and flattening boxes & large plastic jugs. Larger cardboard should be cut down to fit loosely inside your cart. **DO NOT Bag-Recyclables** should be loose. **DO NOT Overfill-lid** should be securely closed.

Distance curbside carts 30"-36" apart **DO NOT** place carts near posts, mailboxes, structures, cars, or any item at risk of damage if cart is serviced. Violations will disrupt service.

Public Paper Shredding Program
Shred & Recycle shredded paper inside the 2nd set of sliding doors on the west side (between the HHW & Residential Single-sort bins. M-F 8am-4pm.
