### Stipulations:

- Volume restriction if **\*plaster** or **\*roofing**, fill container only 1/2 to 2/3 full (the weight if full will buckle the dumpster). We will service the dumpster twice if contents do not exceed this volume for \$50.00. The dumpster volume must be reported when servicing is requested.
- Insulation, ashes, sawdust and other such loose material **must** be bagged or contained when disposed of in the dumpster.
- Dumpsters will sink into soft ground and therefore are to be kept on a hard surface.
- Dumpsters shall not be overfilled – cover must close level to avoid safety hazards.
- Rental party will be responsible for any damages incurred while the dumpster is on the property. This does not include any damages that may occur when our crew is delivering or picking up the container.
- **NO METAL, RECYCLABLES, ELECTRONICS, CONCRETE, STONE, DIRT, YARD WASTE, TIRES OR PAINT CANS ALLOWED IN THE DUMPSTERS!!**

Please call before noon to schedule same day servicing of dumpster, pending availability. Please call (920) 967-3620 to check availability.
