Sensational La Crosse

Nestled between bluffs and rolling hills, La Crosse has so much to see!
What better time to see La Crosse than in the Autumn!

Thursday and Friday, October 19 & 20, 2023

Thursday

- After a brief stop in Wautoma for a rest-break we continue on to La Crosse. A lunch at Culvers in La Crosse always hits the spot and then we meet up with the La Crosse Queen paddlewheel boat for a 90-minute afternoon cruise on the Mississippi River surrounded by fall colors.
- We will then check into the spacious Hampton Inn right in downtown La Crosse. After freshening up, we are headed to North Country Steak Buffet for a scrumptious dinner and then back to the hotel.

Friday

- A continental breakfast at the hotel will get us off to a great start to the day.
- The Historic Museum of La Crosse will provide a tour guide who will join us on the bus for an hour and half tour of the historic beautiful La Crosse.
- There will be some free time after the tour to shop and grab some lunch on your own before we head back to Menasha.
