Notes:

R.R. Charliebois - Retrofit of existing chassis, could cause delay if not to specs. Long build date.

H.P. Fairfield - Many exclusions including, noise levels, wheel base, hopper capacity, hopper lifetime warranty, wide sweep broom.

J.F. McDermott - Bid received 20 minutes after deadline via Fedex. Bid form not completed. Options not listed.

Viking Cives (A) - Pre-built machine. Exclusions include, lower HP on aux. motor, dual gutter broom operation.

Viking Cives (B) - Pre-built machine. Includes add-ons of LED rear arrow, hopper flush out system, water spray bar (\$5,000 package).

Viking Cives (C) - Build to specifications, long delivery date.

Considerations:

- Existing sweeper is down w/repair estimate of \$5,000, machine takes constant maintenance
- Rental costs (if available) are \$2,400/20hr work week
- Only (1) prebuilt machine that meets specifications
