Town of Middlebury Public Works Department
1020 South Route. 7
Middlebury, VT 05753

**SUBJECT: Shard Villa Road Bank Repair & Stabilization
Bid Review and Recommendation**

Dear Dan:

Five bids were received on February 15, 2019 for construction of the subject project. At that time, the apparent low bidder was identified as G&N Excavation, of Moretown, Vermont. A bid tabulation is attached.

Following the bid opening, DuBois & King, Inc. (D&K) reviewed the bid from G&N Excavation to confirm that it included submission of a bid security in the form of a Bid Bond, acknowledgement of Addenda No. 1 – No. 2, evidence authority to do work in the State of Vermont, Bidder Qualification Statement, and a Bid Form with a total Bid Price of \$89,100.00.

G&N Excavation is a civil contractor, with experience with site clearing, road construction, and slope stabilization projects. D&K has worked with this Contractor on past projects. We are not aware of any issues that would preclude the selection of G&N Excavation for the project. We did conduct a due diligence reference check of the Contractor's submitted references. Briefly summarizing, all provided satisfactory and positive references. The references contacted were David Jennison, District Facilities Manager for Waterbury, Vermont; and, Doug Brodeur, Holden Engineering.

Based on this information and a review of their bid, it is our opinion that G&N Excavation is a responsive and responsible bidder. Therefore, this office recommends that the Town of Middlebury award the subject construction contract in the amount of \$89,100.00 to:

G&N Excavation
3804 N Fayston Road
Moretown, VT 05660

Attached is a completed Notice of Award form. If the Town concurs with this recommendation, please sign the form and return it to us. We will forward to the Contractor.

Please give me a call (802-465-8396 ex. 4810) if you have any questions.

Very truly yours,

DuBOIS & KING, INC.

Jonathan B. Ashley, P.E.
Project Manager
