Summary: Bids were sent to five (5) select vendors as well as being posted on the Town’s website and advertised in the local paper. Only a single, non-solicited, vendor submitted a bid. This is an hourly contract for two (2) years for tree maintenance services. This vendor has performed work in town before for the college and as part of the Town’s rail platform construction project. DPW recommends awarding this contract to TREES INCORPORATED from Rutland, Vermont.
