TOWN OF MIDDLEBURY

BID INFORMATION FOR WINTER SAND

1. Bids shall be fixed price per ton delivered to storage area located on Rt. 7 across from the Public Works facility at 1020 South Rt. 7, Middlebury, VT. Bidders shall visit the Town sand storage site and be familiar with the dump site.
2. All loads shall be from a certified scale facility and have accompanying slips provided at time of delivery.
3. Winter sand shall be a clean processed product and shall be tested and compared to the following specifications:

<u>Sieve Size</u>	<u>% Passing</u>	
1/2"	100%	Total Sample
3/8"	70-95%	Total Sample
No. 4	45-85%	Total Sample
No. 50	0-30 %	Fine Portion
No. 200	0-5 %	Fine Portion

4. Bidder shall provide samples for the Town's testing company for independent analysis of the material bidder can supply. The samples shall be typical of bidder's material stockpile and must be scheduled with and taken by the testing company in order for the results to be available to the Town for the close of Bids. Sample pick-up is scheduled for Tuesday, August 22, 2017. The Bidder is responsible for coordination of sample pick-up with the testing service. The Town's testing company is:

Jacques B. Bouramia, President
VERMONT TESTING & CONSULTING CORPORATION
P.O. Box 420
Waterbury, VT 05676
Office: 1-800-244.6131

5. The bid award will be based on the percentage of sand and gravels passing a 0.5 inch sieve, and excluding material passing a #200 sieve in the material sampled. The actual cost per ton will be calculated on these percentages.
6. The Town anticipates the need for approximately 2,700 tons +/-, with initial purchase and delivery starting the first week of October 2017, however there is no guarantee of total tons of purchase. A mid-winter delivery is typically needed in late January or early February and may or may not be required. The Town reserves the right to purchase material from any bidder/supplier to meet

its needs. The winter-delivered sand shall be mostly free of frozen sand.

7. Deliveries shall be delivered at a rate of no less than 300ton per day.
8. All proposals shall be furnished on the attached **BID FORM**.
9. All contractors submitting bids shall hold their bid price for the 2017/2018 fiscal year: July 1, 2017 to June 30, 2018.
10. Bids submitted that do not meet the requirements/specifications shall not be considered.
11. Questions concerning specifications for this bid shall be referred to:
Bill Kernan – Public Works Operations Director at 802-388-4045.
12. BID MUST BE IN A SEALED ENVELOPE and OUTSIDE CLEARLY LABELED WITH THE WORDS: “BID- WINTER SAND 2017/2018”
13. **The Town of Middlebury, Vermont RESERVES THE RIGHT TO REJECT ANY AND ALL BIDS, OR TO ACCEPT ANY BID DEEMED TO BE IN THE TOWN’S BEST INTEREST. THE TOWN RESERVES THE RIGHT TO HAVE A SIEVE ANALYSIS CONDUCTED OF THE BIDDER’S STOCKPILE OR DELIVERED SAND BY A CERTIFIED TESTING COMPANY AT ANY TIME/TIMES DURING THE CONTRACT PERIOD.**
