Robert E Collins Award

We are pleased to recognize Tammi Swan as the 2018 Robert. E. Collins award winner. This award has been given out annually at town meeting since 1974 and recognizes a deserving individual or organization that has shown commitment and dedication to the Middlebury Parks and Recreation Department. Tammi has volunteered hundreds of hours of

her time to the department coaching soccer, basketball and baseball as well as running the scoreboards and books for various athletic events and being Jill-of-all-trades. Tammi is the type of person that will just drop in out of the blue and ask if we need help with anything whether it is blowing up soccer balls, helping set up for events or helping organize paperwork she is always there when it seems we need her most! For the past couple of years Tammi has also taken the initiative to organize and run concessions during special events at the Recreation Center which has netted hundreds of dollars for the departments' scholarship fund.

Tammi and her husband Dale reside in Middlebury with their children Makayla and Connor. In her free time Tammi enjoys playing softball and attending her children's various activities. Thank you Tammi for all your time and effort helping make our community a better place to live!
