Staff evaluations with Kookamunga and Pool staff shared with the team. Dustin suggested pool and camp directors meet with sub-committee to review this year. Will schedule meetings:

P&R Looking for more mature/older lifeguards to extend the time the pool is open to the public as current staff have to leave for school before the swim season ends- possibly opening to offering help to pay for certification. Several issues with lifeguards this year-not being where they need to be. With feedback, it has improved, but concerned about the maturity of current pool staff. Looking into changing management style to help staff stay on task even without supervisor present.

Brian has resigned. Need someone to do RecTrack training, may postpone to make sure new staff can attend. Position needs to be approved by the personnel committee as full time benefitted.

Days of Caring- not sure what jobs will be assigned for the college football team

Dustin's position is still up in the air. Hasn't been brought before the committee. Wondering about the committee's role in supporting this change. Personnel Meeting tomorrow will address these positions.

Dustin with connect with Zoe about recruiting Americorp to help with park improvement projects

Tricia wondered about the ½ time position and if it has been cut.

Next meeting: Wed Sept 5th at 5:30 location to be determined

Meeting ended at 6pm
