To the Town Of Middlebury Selectboard:

Town Officials have deemed the southern end of Creek Road unsafe for travel between the north gate at the Perrin farm and the south gate at 3 Mile Bridge, due to a small section of road shoulder failure located on the western side of the road. The result has been closure and gating of said road for more than a years time.

We the undersigned hereby give notice to the selectboard of the above insufficiencies under State Statute Title 19: Highways. Specifically (Statute 19 V.S.A. & 971) Defective Roads and Bridges; Proceedings.

Your prompt attention to this matter will be appreciated.

Title 19 : Highways

Chapter 009 : Repairs, Maintenance, And Improvements

Subchapter 007 : Enforcing Repairs

§ 971. Defective roads and bridges; proceedings

When a highway or bridge is out of repair or unsafe for travel, any three citizens or taxpayers in the State may give written and signed notice of the insufficiency to the selectmen of the town in which the highway or bridge is situated, setting forth in general terms the location of the highway or bridge and the nature of the insufficiency. If the town neglects for seventy-two hours to respond by either denying the allegation or to commence work upon the highway or bridge, or fails to continue the work in good faith and with reasonable dispatch until the highway or bridge is put in good and sufficient repair, the citizens may file with one of the County Road Commissioners or the Superior Court for the county in which the highway or bridge is situated, a written complaint signed and sworn to, setting forth in general terms the location of the highway or bridge and the nature of the insufficiency. The complainants shall also give the Commissioners security by deposit or otherwise for the costs of proceedings under the complaint. (Added 1985, No. 269 (Adj. Sess.), § 1.)
