Testing, Testing ... Who wants A COVID Test?

Scarlet O'Hara opined that "Tomorrow is another day". Yes it is, but more than that - The National Guard is running an open COVID test tomorrow, yes, TOMORROW, September 3, at the American Legion Post behind G. Stone Motors (Ford/ GMC dealership) off of Route 7.

Plenty of walk-in appointments available and you don't have to register on-line. Just bring your nose and your mouth/nose covering. They'll do the rest.

The testing is done 9 am to 3 pm.
