Inching Closer to the End

As of Thursday, a little over 13,000 more vaccinations were required to get us to the magic 80% number. You can track the progress at: <https://www.vermont.gov/vermont-forward#progress>
This site hasn't been updated since Wednesday as VDH is rectifying duplicate records with the CDC to ensure the vaccinated statistics are accurate.

To Reach The End More Vax Are Needed

If you want to get your vax, there are plenty of places to do it. Here's a list in our area:

Free COVID-19 Vaccines! Walk in clinics, no appointment necessary!

Please call Middlebury Regional EMS at (802) 388-3286 with any questions!

In the coming week there are 130 locations where you can get a vaccination. You can get the entire list at healthvermont.gov/myvaccine.

10 p.m. Restaurant Curfew is Over!

A sure sign the end is near (no, not the apocalypse- the pandemic!). **After** this Saturday, May 29, restaurants and bars no longer have a 10 p.m. curfew. They may return to regular business hours. All we need now is those last 13K arms to get a vax into and all the rest will end as well.
