Total tests conducted	4,250
Deaths+	13
People being monitored	237
People who have completed monitoring	556

*Includes testing conducted at the Health Department Laboratory, commercial labs and other public health labs.

+Death occurring in persons known to have COVID-19. Death certificate may be pending.

Hospitalization Rates

Hospitalized patients with COVID-19	21
Hospitalized patients under investigation for COVID-19	52

Hospitalization data is provided by the Vermont Healthcare Emergency Preparedness Coalition and is based on hospitals updating this information as they are able.

These tables, a map of case numbers by county, and a chart of case number totals are available on our [COVID-19 web page](#) under *COVID-19 Activity in Vermont*.

Currently have been 23 confirmed cases on COVID-19 in Addison County. Addison County is second behind Chittenden County in the number of cases statewide.
