Hi Kathleen,

Ken Perine, one of the Project Team members, can only make about half of our meetings due to a conflict. We've been searching for an alternate for a few weeks, and Ruth Hardy has agreed to serve. She'll attend meetings that Ken can't make. At an upcoming meeting, could we have an agenda item for the Selectboard members to appoint Ruth Hardy as the alternate to Ken Perine on the Ilsley 100 Project Team?

Also: do you have five minutes today that I could come up and give you a quick update on funding efforts?

Thanks,

Dana
