Dear Dan,

We write with regard to last year's tree cutting on Forest Ridge Drive as necessitated for the runway improvement project at the Middlebury State Airport.

Working with Middlebury Tree Warden Chris Zeoli, we are submitting the following planting plan for your consideration:

Common Name of Shrub/Tree	Plant Size	Estimated Maximum Height	Quantity	Cost/Each (Estimate)	Total
Sumac	4-5'	30'	20	Donated	-
Evergreen shrubs and/or trees (not to exceed 25' in height at full maturity)	2-3'	25'	20	\$60	\$1,200
		Total	40		\$1,200

Chris Zeoli and members of the Middlebury Tree Committee have volunteered to plant the trees and/or shrubs in the fall, if the proposed plan and budget are agreeable to you.
