Hi Tom,

We'll add this to the agenda for next Tuesday night.

Thanks!
Kathleen

Subject: Taser PO for 2018

Attached is the PO for 5 Taser units. This is the final planned large expenditure for Taser units.

This year I'm doing the purchase differently than in the past. Last year the purchase for 3 units was \$4,082.99 spread out over 5 accounts. This did not include money for additional training cart ridges, replacement cartridges and batteries. With this version the total cost for the 5 Tasers and all related expenses is spread out over 5 years at \$3,826 per year. This will provide us cost stabilization for the 5 year period for this particular purchase of 5 units. Included with the purchase of the previous twelve units between 2015 and 2017 is a replacement cost that we will use to off-set the cost of replacing the older units once they hit about 7 years.

Tom H.
