

**August 28, 2018**

Addition to the Agenda:

**13.a. \*Grant Agreement with Vermont Department of Public Safety for Reimbursement of Storm Clean-Up Expenses**

The Town received word today that with funds passed-through the Vermont Department of Public Safety, FEMA will cover 75% of the cost of clean-up from the storms in late October of 2017. Thanks to Director of Operations Bill Kernan's initiative and follow-through with vast amounts of paperwork, the Town will receive \$12,810.81 toward total eligible project costs of \$17,081.08. The required local match is 25%, \$4,270.27.

*Recommendation: If the Board is amenable, a motion would be in order to authorize the Town Manager to sign the proposed grant agreement with the Vermont Department of Public Safety for Grant #02140-84356-18, which provides public assistance for storm clean-up expenses associated with the FEMA-declared disaster resulting from severe storms and flooding on October 30, 2017.*
