Subject: Promotion

As some of you are already aware, the Parks & Recreation department was recently reorganized with final approval by the Select Board at its August 14th meeting. The reorganization included the creation of a new position, Parks & Recreation Superintendent. I am happy to announce that this position has been filled by our very own, long-time employee Dustin Hunt.

Dustin has most recently held the position of program coordinator for the department and has been with the town since 2009 working in various aspects of the recreation department's summer programs and parks maintenance. Dustin is a graduate of Husson University with a Bachelor of Science degree in Business Administration with an emphasis in Sports Management. He came to work for the town with previous parks and recreation experience and is currently one of only thirty-eight "Certified Parks & Recreation Professionals" in the state of Vermont.

Dustin is a long-time resident of Middlebury and a proud, new homeowner in town where he resides with his Wife Jade and two young sons Landon and Oakley. He is well known and respected by the Middlebury community and brings great enthusiasm and fresh ideas to the workplace. Dustin is the town's Deputy Health Officer and has shown his commitment to the local community by participating in the Youth Educators Committee, Addison County Hunger Council, Addison United Soccer Club where he held offices as the Vice President and Parent Liaison, Middlebury Area Little League where he currently sits on their Board of Directors, and most recently has joined the Middlebury Rotary Club to be active in their local service projects.

Dustin begins his new position on Monday August 27th, please help me welcome him to his new job and congratulate him on his promotion!
