Dear Kathleen,

Please forward the message below to the Select Board.

Thank you very much,

To the Middlebury Select Board:

We regret that we will be out of town on August 28 and unable to attend the Select Board meeting with Jack and Chip Mayer and other residents. We support them in urging you to place the Climate Solutions Resolution on the November mid-term ballot.

We believe that citizens of Middlebury should have the opportunity to join residents of the thirty-five other Vermont towns who have already adopted the resolution. Environmental protection is one of the most urgent issues facing the country and state. Though the resolution is a non-binding expression of voter opinion, it will, if approved, encourage the newly-elected Legislature to make the environment and climate a high priority in the coming session.

Thank you for your consideration,

Judy and Michael Olinick
