

FENCING FOR WATER RESERVOIR

I held a pre-bid meeting at the reservoir last week to review the project scope with interested fence companies. Bids were due on Wednesday, August 29, 2018 at 11:00a.m.

Two bids were received on time (11:00a.m.)

802 Fence Company, LLC bid: \$14,735.00

Cedar Ledge Fence and Property Care: bid \$19,825.50

Middlebury Fence did not submit a bid, but e-mailed at 1:11p.m. that they would honor a proposal from last year. This cannot be considered.

Both submitted bids meet the specifications of the bid document.

I request the IC submit the bid from 802 Fence Company, LLC to the Select Board for approval
