

**Town of Middlebury & Vermont Agency of Transportation**

**Public Input Meeting on Landscape Design for  
Triangle Park Section of the Town Green & Printers Alley**

**Large Conference Room**

**Town Offices**

**77 Main Street**

Wednesday, September 19, 2018

6:30 p.m.

The Town of Middlebury and Vermont Agency of Transportation (VTrans) officials will discuss and seek input on the landscape design aspects of the Bridge and Rail Project focused on the Triangle Park section of the Town Green and Printers Alley Park areas at a public meeting on Wednesday, September 19, 2018 at 6:30 p.m. in the Municipal Offices, 77 Main Street, Middlebury, Vermont.

The project includes replacement of bridges on Main Street and Merchants Row spanning over the Vermont Western Railroad Corridor. The project will create new public park spaces within Triangle Park and Printers Alley. The intent of the meeting is to briefly review public input received regarding the public spaces, share design concepts that have been developed by the design team, and solicit feedback to further shape the design of public park spaces. The meeting will include a short presentation and an interactive session to solicit feedback.
