Hi Kathleen,

Last year the purchase of an asphalt "Hotbox" was approved by the IC Committee and Selectboard and included in the budget at Town Meeting. We have gone out for quotes from the only two vendors in the state and the results are attached. PW staff has inspected both of these machines and found them to be quite similar and adequate for the work. We therefore have no preference and are looking for Selectboard approval to purchase the lower cost machine from HP Fairfield in Morrisville for \$24,480.

Thank you,

Bill Kernan
