RE: Letter of Support- Towns of New Haven and Vergennes
Triangle Bike Loop Master Plan

Dear MPG Grant Application Review Committee:

The Middlebury Planning Commission (MPC) is pleased to provide this letter of support for the effort being led by Vergennes and New Haven to develop a Triangle Bike Loop Master Plan.

The MPC voted unanimously to support this grant application, which will improve bicycle safety in Addison County and encourage visitors to the area.

Middlebury's Town Plan supports active transportation corridors and Middlebury would benefit socially, environmentally and economically from a well-defined, safe regional cycling loop to and from our designated downtown. This loop would supplement the amazing community resource we have in the Trail around Middlebury (TAM).

Sincerely,

Middlebury Planning Commission
Barbara Saunders, Chair
