

# Emerging Opportunities for Municipal Energy Improvements

Municipal representatives are invited to attend an educational workshop to provide municipal officials, staff, and volunteers from Chittenden County with turnkey opportunities to improve energy efficiency and renewable energy in their communities.

The workshop will include three focus areas:

- 1) Improving operating efficiencies of municipal buildings (retro-commissioning)
- 2) Improving municipal vehicle fleet efficiency & expanding electric vehicle use
- 3) Pursuing municipal solar projects. Resource people for each of these topics will be on hand to answer questions & help municipalities move forward.

**Date:** October 10<sup>th</sup>, 2018

**Time:** 8am – 11:30am

**Location:** South Burlington Police Station  
19 Gregory Drive, South Burlington, VT

**Food & Beverages will be served.**

Please RSVP by contacting Karen Horn at the Vermont League of Cities and Towns at (802) 229-9111 or [khorn@vlct.org](mailto:khorn@vlct.org).

For questions regarding the workshop, contact Melanie Needle, Chittenden County Regional Planning Commission at (802) 846-4490 x27 or [mneedle@ccrpcvt.org](mailto:mneedle@ccrpcvt.org).

This workshop is organized by:

Vermont League of Cities and Towns, Chittenden County Regional Planning Commission, Vermont Energy and Climate Action Network, Vermont Council on Rural Development, Efficiency Vermont, and Energy Action Network
