Hi Kathleen,

The attached documents are for final FEMA closeout of the flooding event that took place in July of 2017. This is much like the closeout for the wind event that the Selectboard recently authorized at their October 28th meeting. The \$54,217.48 is for repair cost incurred by the town on the following roads...

- Blake Roy
- Three Mile Bridge
- N. Branch
- Middle (south)
- E. Munger

The funds also cover costs estimated by FEMA at \$41,699.63 for losses incurred along Creek Road that will need to be repaired at some point in the future. Signing these documents will close out all active FEMA grant events for the Town of Middlebury. Please let me know if you have any questions or need any further information.

Thank you,

Kathleen,

The purpose of this email is to confirm that the Department of Public Safety's Division of Emergency Management has awarded the Town of Middlebury a subgrant to perform a FEMA-DR-4330-VT project. Attached you will find the subgrant agreement and accompanying project worksheet(s). I would like to highlight the following:

- **On page 4 of the subgrant agreement, please make sure you initial that you have read and understand all Attachments.**

Please have your authorized representative review, initial, and sign the agreement. Once initialed and signed, you can email the signature page back to me. I will then circulate the agreement here at DPS for signature; and once executed, I will send you the final copy. In addition to the attached subgrant agreement, you will also find a financial reimbursement request form. It has been pre-filled for your convenience. Please review for accuracy and return a signed copy to me so that we can get payment out to you as soon as possible. Please let me know if you have any questions.

Melissa
